24) The curriculum provided by each Academy to pupils up to the age of 16 shall be broad and balanced. 27) Subject to clause 28, or unless specified otherwise in a Supplemental Agreement, each Academy shall comply with the requirements of section 70(1) of, and Schedule 20 to, the Schools Standards and Framework Act 1998 as if it were a community, foundation or voluntary school which does not have a religious character, except that the provisions of paragraph 4 of that Schedule do not apply. Each Academy may apply to the Secretary of State for consent to be relieved of the requirement imposed by paragraph 3(2) of that

Schedule, the Secretary of State's consent to such an application not to be unreasonably withheld or delayed.

28) Section 71(1) – (4) of the School Standards and Framework Act 1998 shall apply as if each Academy were a community, foundation or voluntary school, and as if references to “Religious Education” and to “Religious Worship” in that section were references to the religious education and religious worship provided by each Academy in accordance with clauses 23 and 24 respectively.

29) The Company shall have regard to any guidance issued by the Secretary of State on sex and relationship education to ensure that children at each Academy are protected from inappropriate teaching materials and they learn the nature of marriage and its importance for family life and for bringing up children.

Assessment

30) The Company shall register each Academy with the Qualifications and Curriculum Authority for the purposes of arranging for all eligible pupils to take part in the national curriculum assessment system at the end of the Key Stage 3 programmes of studies. This includes arranging for pupils to take the English, Maths and Science tests and for teacher assessments of pupils' performance in those subjects.

31) No Academy may offer courses which lead to external qualifications (as defined in section 96 of the Learning and Skills Act 2000) that are not approved under section 98 of that Act unless the Secretary of State gives specific consent for such courses to be offered.

School meals

32) The Company shall, if requested to do so by or on behalf of any pupils at an Academy, provide school lunches for those pupils unless it would be unreasonable for it to do so. Subject to the provisions of clause 33 charges may be levied for lunches.

33) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512ZB of the 1996 Act (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Company shall ensure that a school lunch is provided for such a pupil free of charge.

Charging

- 34) Sections 402 (Obligation to enter pupils for public examinations), 450 - 457 (charges), 459 (regulations about information about charges and school hours) and 460 (voluntary contributions), 461 (recovery of sums as civil debt) - 462 (Interpretation re charges) of the 1996 Act shall be deemed to apply to each Academy with the following modifications:
- a) references to any maintained school shall be treated as references to an Academy;
 - b) references to registered pupils shall be treated as references to registered pupils at an Academy;
 - c) references to the governing body or the local education authority shall, in each case, be treated as references to the Company;
 - d) the charging and remissions policies required to be determined under section 457, and any amendment thereto, shall require the approval of the Secretary of State; and
 - e) the Company may charge persons who are not registered pupils at an Academy for education provided or for facilities used by them at that Academy.

Provision of Information to parents and others

- 35) The Company shall publish a prospectus for each Academy annually, shall send it on request (free of charge) to parents of pupils at the Academy and to the Secretary of State; and shall make it available for inspection by other persons at the relevant Academy. The prospectus shall, except in so far as such information is published in a document known as a School Profile (which would accompany or be incorporated in the prospectus), include:
- a) details of admission arrangements;
 - b) details of the curriculum offered, of assessment arrangements and of the results of attainment tests and public examinations at school level, but this shall not include details of individual pupils' attainment and examination results;
 - c) details of any religious affiliation of the school; policy on providing for children with SEN; arrangements for pupils with disabilities (as specified in an annex to the relevant Supplemental Agreement); pupil absence rates; and destination of school leavers; and
 - d) any further information as set out in Schedule 3 of the Education (School Information) (England) Regulations 2002 (SI 2002/2897) as applies to maintained schools.

e) such other information as the Company may determine.

36) The prospectus referred to above shall be published in the school year immediately preceding the school year to which it relates and shall be published at least six weeks before the closing date for applying for a place.

GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

37) The Secretary of State shall pay grants towards capital and recurrent expenditure of each Academy. Except with the Secretary of State's prior agreement, the Company shall not budget for its expenditure to exceed its expected income. No decision by the Company shall commit the Secretary of State to paying any particular amount of grant.

38) "Recurrent expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 39. The Secretary of State shall pay two separate and distinct grants in respect of recurrent expenditure: General Annual Grant ("GAG") and Earmarked Annual Grant ("EAG").

CAPITAL GRANT

39) "Capital Expenditure" means expenditure on:

- a) the acquisition of land and buildings;
- b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
- c) the installation of electrical, mechanical or other services;
- d) the purchase of vehicles and other self-propelled mechanical equipment;
- e) the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
- f) the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;

- g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation;
- h) works of a permanent character other than the purchase or replacement of minor day-to day items;
- i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of the Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

“Capital Grant” means grant paid in respect of Capital Expenditure.

- 40) Before a Supplemental Agreement is entered into between the Secretary of State and the Company in relation to an Academy it will be necessary for the Secretary of State and the Company to agree between them the amount and expected timing of the Capital Expenditure necessary to establish that Academy and in particular to agree the forms of the Annexes to the relevant Supplemental Agreement.
- 41) Annex 2 to the Supplemental Agreement (“the Capital Costs Spreadsheet”) will include Capital Expenditure incurred prior to the execution of the relevant Supplemental Agreement and the Capital Expenditure to be incurred after execution of that Agreement and before the Academy opens. For this purpose an Academy opens on the first day that its pupils attend school at the Academy.
- 42) Annex 3B to the Supplemental Agreement will show the projected cashflow of capital expenditure (“the Capital Cash Flow Programme”) by the Company after execution of the Agreement.
- 43) Both parties recognise that as the project develops it may be necessary to revise costs in the Capital Cost Spreadsheet and to move costs between spreadsheet elements in order to ensure that the project remains within its approved budget. Where the Company wishes to make such adjustments of over £10,000, it must submit the proposed

adjustment with the reasons for it to the Secretary of State for approval.

44) Where the Company foresees a significant change in the timing of capital expenditure shown in the Capital Cash Flow Programme of over £100,000, a revised Capital Cash Flow Programme must be submitted to the Secretary of State for approval. The Company must ensure that no pattern of spending is allowed to develop which cannot be contained within the approved capital expenditure limits. The Secretary of State must be informed immediately if any danger of any of the capital costs set out in Capital Costs spreadsheet being exceeded is foreseen so that steps can be taken to rectify the situation and ensure that the project remains within its capital cash limit.

Capital Expenditure necessary to establish the Academy

45) The Secretary of State and the Company hereby agree that each Academy will be constructed in accordance with the architect's drawings and specification on materials set out as an annex of the relevant Supplemental Agreement.

46) Before a Supplemental Agreement is entered into between the Secretary of State and the Company in relation to an Academy it will be necessary for the Secretary of State and the Company to agree between them the Cash Limit and the amount of the Company's Contribution. The Cash Limit will include Capital Expenditure incurred for the purposes of or in connection with the establishment of the Academy prior to the date of the relevant Supplemental Agreement as shown in the Capital Costs Spreadsheet.

47) The Secretary of State and the Company agree that the Secretary of State will bear the Capital Expenditure required to establish each Academy up to an amount equal to the sum of the Cash Limit less the Company's Contribution and the Company will fund (and then bear) the Company's Contribution.

If the actual Capital Expenditure required to establish an Academy shall be less than the Cash Limit applicable to that Academy the amount to be borne by the Secretary of State shall be reduced by the amount by which such Capital Expenditure falls below the Cash Limit.

48) The arrangements (including timing) for payments for these costs are set out in clause 53 and an annex to the relevant Supplemental Agreement. Payment by the Secretary of State will be dependent on his approval of the matters set out in Annex D to this Agreement.

49) a) The Company shall, by the fifth Business Day before each meeting of the Project

Board for each Academy, provide to the Secretary of State a copy of a report (“the Monthly Report”) setting out in relation to the Academy:

- i) the Actual Development Expenditure as at the end of the calendar month immediately before the date when the Monthly Report is provided to the Secretary of State (“the relevant month”);
 - ii) the Budgeted Development Expenditure as at the end of the relevant month;
 - iii) the amount (if any) by which the Actual Development Expenditure exceeds Budgeted Development Expenditure as at the end of the calendar month;
 - iv) a projection, as at the end of the relevant month, of the Capital Expenditure required to establish the Academy;
 - v) if the Capital Expenditure shown in such projection is greater than the Cash Limit (the different being a “Projected Cost Overrun”), the reason why a Projected Cost Overrun may be incurred.
- b) In the event that a Monthly Report shows that a Projected Cost Overrun may be incurred the parties will use their best endeavours to agree ways in which the amount of Capital Expenditure may be reduced, including, if necessary, amendments to the specification for the Academy, so as to keep the Capital Expenditure within the Cash Limit.

50) If the actual Capital Expenditure required to establish an Academy exceeds the Cash Limit applicable to that Academy the additional Capital Expenditure shall be the responsibility of the Company except that the Secretary of State shall (subject to the Company complying with its obligations under clause 49) contribute:

- a) in full any agreed necessary additional Capital Expenditure (such agreement not to be unreasonably withheld or delayed), the need for which could not reasonably have been foreseen by the Company at the time the Cash Limit was set;
- b) such percentage as may be agreed between the parties of any other additional Capital Expenditure which the parties agree should be incurred.

Other Capital Expenditure

51) Any Capital Expenditure incurred in respect of an Academy beyond the Cash Limit applicable to that Academy on which Capital Grant payments are sought from the

Secretary of State will require the specific agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed. Unless the Company undertakes to meet such Capital Expenditure entirely itself such agreed Capital Expenditure as is incurred will be shared in a proportion to be agreed between the Secretary of State and the Company in relation to, and having regard to the nature of, each such Capital Expenditure. Any agreed Capital Expenditure required in order to meet the requirements of legislation enacted or made after the date of the relevant Supplemental Agreements shall be funded in full by the Secretary of State.

Conditions on Capital Grant

52) Payment of Capital Grant is subject to the fulfilment of the following conditions:

- a) such grants are used to provide accommodation constructed and equipped to standards agreed by the Secretary of State as described in the relevant annex of the relevant Supplemental Agreement, or to defray other expenditure approved by the Secretary of State;
- b) the Company certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure of the relevant Academy have been obtained or put in place.

Arrangements for Payment of Capital Grant

53) Capital Grant will be paid monthly by the Secretary of State to the Company. Each month the Company must submit a claim for Capital Grant to the Secretary of State in the notified format with supporting invoices and certificates as requested by the Secretary of State from time to time. Capital Grant will be paid within 21 days from the day on which a claim is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 43 are complied with. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute.

Implementation Grant

54) The Secretary of State shall pay grant (known as "Implementation Grant") towards the establishment of each Academy. Implementation Grant covers the recurrent expenditure that the parties agree is necessary to establish and open the relevant Academy.

- 55) The Company shall prepare and submit to the Secretary of State for approval an Implementation budget showing recurrent costs to be incurred before the Academy opens and for which grant is sought. The approved Implementation budget cashflow will be attached as Annex 3C to the relevant Supplemental Agreement and will show the limits of the recurrent expenditure and the projected cashflow which the parties have agreed the Company is permitted to incur in order to establish the Academy.
- 56) Both parties recognise that as a project develops it may be necessary to revise individual costs in the implementation budget and to move costs between budget headings in order to ensure that the project remains within its approved budget. Where the Company wishes to make such an adjustment of over £10,000, the reason for the change and a revised implementation budget must be submitted to the Secretary of State for approval.

Arrangement for Payment of Implementation Grant

- 57) The Secretary of State will pay Implementation Grant in accordance with the approved implementation budget. Payment will be made by monthly instalments. The Company shall submit to the Secretary of State by the 10th of each month a claim in a form specified by the Secretary of State. If the claim accords with the approved budget or is otherwise acceptable to the Secretary of State at his discretion, then the Secretary of State undertakes to pay the amount due by the 25th of the month. If a dispute arises as to whether expenditure is within the approved budget or is otherwise acceptable both parties undertake to resolve the dispute in good faith. If the Secretary of State is of the opinion that the claim in question is not within the approved budget and that the claim is unacceptable then he shall notify the Company in writing of the reasons for his opinion. If the dispute has not been resolved by the due date for payment of the claim in question, the Secretary of State shall pay so much of the claim as shall not be in dispute.
- 58) Any amount of approved Implementation Grant in respect of which the expenditure has not been incurred by the Company by the date on which an Academy opens will lapse. Any amount of grant which has been paid but remains unexpended on relevant expenditure by the opening of an Academy will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Company after the Academy has opened. Any amount of Implementation Grant paid which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Company.

General Annual Grant

59(1) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each Academy. These will include, but are not limited to:

- a) teacher salaries and related costs (including full and part time teaching staff and seconded teachers);
- b) non-teaching staff salaries and related costs (including pension contributions, educational support, administrative and clerical; manual and premises related staff);

pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional grants will also be paid for pupils with statements of special educational needs);

m) administration;

n) establishment expenses and other institutional costs.

59(2) Subject to clause 84 GAG paid in respect of each Academy shall only be used for the purposes of the Academy.

60) Subject to clauses 63-66, GAG for each financial year of an Academy will be funded at a level comparable to and as close to equal as possible to the expected level of funding which would be provided through the relevant LEA's funding formula for a comparable LEA maintained school in the area which the Academy is located and which has the Academy's relevant characteristics, including pupil numbers; plus:

a) LEA Holdback: Funding representing a proportion of the LEA Education Budget money which the LEA would be able to retain, from the non-delegated elements of the Schools Block and the relevant items in the LEA Block, if the relevant Academy were a maintained school. The proportion which this funding will represent will be based on the elements of the LEA's Section 52 Budget Return which are relevant to the relevant Academy; plus

b) Specialist Schools Allowance: a further sum representing funding which an LEA maintained school with the relevant Academy's characteristics would receive in respect of their participation in the DfES specialist schools programme; plus

c) VAT: a sum in respect of the estimated Value Added Tax payable by the Company for each financial year in relation to the normal running costs of the relevant Academy which is not recoverable; the estimate shall be made using the method determined by the Secretary of State after consultation with finance directors of academies; plus

d) Insurance: In the academic year beginning 1 September 2006, insurance costs for each Academy will be reimbursed at actual cost. Thereafter, the Secretary of State will pay grant in respect of insurance costs sufficient to enable the Company to arrange insurance for each Academy of the kind which appears reasonable and necessary, having regard to any reasonable requirements of the Secretary of State as to the level and type of cover.

61) The GAG for an Academy will also include the following areas of funding for as long as they are necessary and equivalent funding is provided to maintained schools:

- a) LGPS contributions: Whilst it is necessary for an Academy to incur extra costs in order to be a member of the LGPS due to having a small number of employees partaking in the scheme, the Secretary of State will pay an extra amount of grant in respect of these costs each financial year. Both parties acknowledge that new ways of working are being explored to lessen these costs and if these are successful this element of GAG will reduce or cease accordingly;
- b) School Standards Grant: Whilst this direct grant for maintained schools (Direct Grant to Schools) is paid by DfES, each Academy will receive an equivalent amount as part of its GAG each financial year;
- c) Teachers Threshold Payments: Whilst maintained schools receive a separate grant from DfES in respect of teachers threshold payments, each Academy will receive funding on the same basis as maintained schools for all of its teachers who are entitled to threshold payments;
- d) Relevant New Grants for Maintained Schools: Where the Secretary of State starts to pay new grants (which are not standards fund grants) for specific programmes in maintained schools which are relevant to the Academies, each Academy will receive funding on a similar basis.

62) The basis of the pupil number count for the purposes of determining GAG will be the Company's estimate in November for numbers on roll in the following September. The basis of the GAG calculation, including any annual re-pricing which may be necessary, will be set out in the annual letter of funding except that the level of teachers threshold payments will not be included in the letter and will depend on the information provided by the Company in that financial year regarding how many teachers are entitled to the payments and at what level.

63) The Secretary of State reserves the right to make in year adjustments in the level of GAG payable to the Company in respect of each Academy in the following circumstances:

- a) pupil numbers at the relevant Academy are 10% or more below estimates;
- b) pupil numbers at the relevant Academy are 5% or more above estimates;

- c) additional grants relevant to an Academy are made by the Secretary of State to maintained schools.

The Company will notify the Secretary of State if at any stage in the year pupil numbers vary from the estimates by the percentages set out in clauses 63 (a) or (b). The Secretary of State will base his assessment of the variation of pupil numbers on information provided by the Company and data from the school census; in September and January each year. The adjustments to the level of GAG may be in respect of any element of the GAG.

64) The Secretary of State recognises that:

- a) in relation to Academies which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State undertakes to pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 60 and 61, in order to enable the Academy to operate effectively. The Company will make a bid to the Secretary of State for this addition to GAG based upon need and providing appropriate supporting evidence;
- b) in relation to Academies which open with pupils transferred from one or more LEA-maintained schools which have closed, additional GAG resources will be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum.

65) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 60 and 61 to allow the relevant Academy to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials.

- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

- 66) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement under that agreement the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG in the notice period than would be justified solely on the basis of the methods set out in clauses 60 and 61, in order to enable the Academy to operate effectively.
- 67) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant Academy or Academies is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

Earmarked Annual Grant

- 68) Earmarked Annual Grant ("EAG") shall be paid by the Secretary of State in respect of either recurrent or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and as described in the relevant funding letter. The Company is free to determine how best to use each of its EAGs within the scope of the grant set out in the relevant funding letter.
- 69) Where the Company is seeking a specific EAG in relation to any financial year, it shall submit a letter outlining its proposals and the reasons for its request to Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P 3BT by 15 February of the year preceding the financial year in question.

Arrangements for Payment of GAG and EAG

- 70) The Secretary of State shall notify the Company in December preceding the start of each financial year of the GAG and EAG figures in respect of each Academy which, subject to Parliamentary approval, the Secretary of State plans for that year and of the assumptions and figures on which these are based.

- 71) The amounts of GAG for an Academy financial year will be determined annually by the Secretary of State. The amount of GAG will be notified to the Company in a funding letter not later than 1 April preceding that year (the "annual letter of funding"). The annual letter of funding will not include the amount which the Company will receive in respect of Teacher Threshold Payments whilst that grant is paid as a separate payment, which will be notified later in the year on a date to be agreed. Amounts of EAG will be notified to the Company according to an agreed programme.
- 72) For the purposes of this Agreement, the Academy's financial year shall be deemed to run from September to August, in order to align it to the school academic year. The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the annual letter of funding.

Other relevant funding

- 73) Subject to the Company first obtaining the Secretary of State's consent to make the relevant redundancies, which consent shall not be unreasonably withheld or delayed, the Secretary of State shall meet a proportion of the costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999. The Secretary of State shall meet the costs of the employee's prior eligible service, being service prior to the opening of the Academy, and the Company will meet the costs of service after the opening of the Academy.
- 74) The Secretary of State may meet costs incurred by the Company in connection with the transfer of employees from a predecessor undertaking under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.
- 75) The Company may also receive funding from LEAs in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for

such pupils.

76) The Company should also receive funding from the LEA in whose area it is located, from the Standards Fund. The scheme under which the Standards Fund money is to be distributed by the Secretary of State to LEAs and schools will permit LEAs to receive grants to Academies in the same way as they can do for maintained schools. The relevant Academy must use any grants received under the Standards Fund in accordance with any conditions specified in relation to that grant. Grants paid to the Company from the Standards Fund are not paid under this Agreement.

Financial and Accounting Requirements

77) Finance Director of the Company shall be the Academy's Accounting Officer. The Accounting Officer will be personally responsible to the Company for ensuring regularity and propriety, and for the economic, efficient and effective use of resources (i.e. ensuring value for money), and administration of the financial affairs of the Academy. The Accounting Officer may delegate or appoint others, to assist in carrying out these responsibilities.

78) The Company shall in relation to each Academy abide by the provisions within the Financial Handbook published by the DfES as amended from time to time and as modified to take account of the fact that the Company manages more than one Academy, which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and controls and accounting and reporting requirements.

79) The formal budget plan must be approved each year by the directors of the Company.

80) Any payment of grant by the Secretary of State in respect of each Academy is subject to his being satisfied as to the fulfilment by the Company of the following conditions, namely, that:

- a) in its conduct and operation of the relevant Academy it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
- b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;

- c) such financial statements are published at the end of each financial year in such form and manner as the Secretary of State may reasonably direct and a copy sent to him by 31 December each year. These statements should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of each Academy's affairs and that the grants were used for the purposes intended;
- d) the Company prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 1985;
- e) a statement of the accounting policies used is sent to the Secretary of State with the financial statements;
- f) the Company insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which the Academy is situated;
- g) the Company prepares and files with the Charity Commission annual accounts prepared in accordance with the Statement of Recommended Practice;
- h) the Company shall comply with their obligation under the Charities Act 1993 (or any statutory re-enactment or modification of that Act) with regard to the preparation of an annual report and its transmission to the Charity Commissioners;
- i) the Company shall ensure that each Academy's accounts are audited annually by independent auditors whose appointment is approved by the Secretary of State.

81) In addition, and at his expense, the Secretary of State may instruct any suitably qualified person to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Company in relation to each Academy and to make recommendations for improving the financial management of each Academy.

82) The books of accounts and all relevant records, files and reports of the Company relating to each Academy including those relating to financial controls, shall be open at all reasonable times to officials of the DfES and the National Audit Office and to contractors retained by the DfES or the National Audit Office for inspection or the carrying out of value for money studies and the Company shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of

this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

83) The Company shall submit indicative budgets relating to each Academy to the Secretary of State not later than by 15 February before the start of each financial year. Such budgets shall set out clearly the prospective income and expenditure of the relevant Academy and shall differentiate, and give adequate details of:

- a) a statement of expected income for that year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure, distinguishing between income from public funds including the national lottery and income from other sources. Income from cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure will not be taken into account by the Secretary of State in the calculation of GAG;
- b) a statement of proposed recurrent expenditure for that financial year;
- c) a statement of proposed capital expenditure for that financial year.

84) At the beginning of any year the Company may hold unspent GAG from previous years amounting to 12% of the total GAG payable in the year just ended or such higher amount as may from time to time be agreed. This carried forward amount may be used as follows:

- a) equivalent to 2% of the total GAG payable in the year just ended may be used by the Company for any of the purposes for which GAG is paid and whether for the purposes of the relevant Academy or for the purposes of any other Academy;
- b) equivalent to a further 12% of the total GAG payable in the year just ended, or such higher figure as may from time to time be agreed, minus any amount used under sub-clause (a) above, may be use on the upkeep and improvement of premises, including the costs of equipment and routine repairs and maintenance of the relevant Academy, and on capital expenditure relating to the relevant Academy.

Notwithstanding the foregoing provisions of this clause 84 any additional grant provided over and above that set out in clauses 60 and 61 and made in accordance with clauses 55 and 56 may be carried forward without limitation or deduction until the start up period or the circumstances set out in clauses 64 and 65 come to an end.

- 85) Any savings of GAG not allowed to be carried forward under clause 84 will be taken into account in the payment of subsequent grant.
- 86) The Company may also accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of the Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Company's balance sheet.
- 87) The Company shall not, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:
- a) in relation to an Academy and except such as are given in normal contractual relations give any guarantees, indemnities or letters of comfort;
 - b) write off any debts or liabilities owed to it above a value to be set out in the annual letter of funding, nor offer to make any ex gratia payments;
 - c) make any sale or purchase of freehold property; or
 - d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.
- 88) Each discovered loss of an amount exceeding the amount set out in the annual letter of funding, and arising from suspected theft or fraud, shall be reported by the Company to the Secretary of State at the earliest practical opportunity.
- 89) It is the responsibility of the Company to ensure that each Academy balances its budget from year to year.

Borrowing Powers

- 90) The Company shall not run an overdraft beyond such amount (to cover irregularities in cash flow) as may from time to time be both approved by the Company in General Meeting and in writing by the Secretary of State, such approval by the Secretary of State not to be unreasonably delayed or withheld, and subject to any conditions he may reasonably impose. The Company shall not borrow except with the written consent of the Secretary of State against future years' current grant, or by using as collateral assets purchased wholly or partly out of monies provided by the Secretary of State. The Company shall not borrow against land and buildings transferred to it for less than the

market price from an LEA or trustees of a voluntary aided school. Provided always that nothing in this clause shall prevent the Company from borrowing (whether by way of overdraft or otherwise) prior to the opening of the Academy nor from borrowing where such borrowing is made necessary by the failure of the Secretary of State to make in a timely fashion payments (whether of GAG or EAG or otherwise) agreed to be made by him under this Agreement.

Disposal of Assets

- 91) Where the Company acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred to the Company at nil or nominal consideration and which were previously used for the purposes of a state funded school or where transferred from an LEA, the value of which assets shall be disregarded.
- 92) The sale or disposal by other means of a capital asset by the Company shall require the consent of the Secretary of State. such consent not to be unreasonably withheld or delayed, where:
- a) the Secretary of State paid capital grant in excess of £20,000 for the asset; or
 - b) the asset was transferred to the Company from a LEA for no or nominal consideration.

Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the Secretary of State's consent in the circumstances set out above and reinvestment exceeding £1,000,000 or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.

- 93) This clause applies in the event, during the currency of this agreement, of the disposal of a capital asset for which capital grant of any amount was paid by the Secretary of State, where the asset was acquired by the Company at market value. In this event, the Company shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Company for its charitable purposes.

94) This clause applies in the event, during the currency of this agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Company from a LEA for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the LEA from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Company. The Secretary of State will have regard to any representations from the Company and the LEA from which the asset was transferred before giving consent under this clause.

95) Except with the consent of the Secretary of State, the Company shall not dispose of assets for a consideration less than the best price that can reasonably be obtained, such consent not to be unreasonably withheld or delayed.

TERMINATION

96) This Agreement shall commence on the date hereof and continue until terminated in accordance with clause 97 or until all Supplemental Agreements entered into between the Secretary of State and the Company shall have terminated.

97) The Secretary of State may at any time by notice in writing terminate this Agreement and each of the Supplemental Agreements forthwith on the occurrence of any of the following events:-

- a) the Company calls a meeting of its creditors (whether formal or informal) or enters into any composition or arrangement (whether formal or informal) with its creditors; or
- b) the Company proposes a voluntary arrangement within Section 1 of the Insolvency Act 1986; or
- c) the Company is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause Section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. The Company shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Company; or
- d) the Company has had a receiver (and manager with the exception of Receivers and Managers appointed by the Charity Commission under the Charity Act 1993 or any subsequent re-enactment of that Act), administrator or administrative receiver appointed over all or any part of its undertakings, assets or income; or

- e) any restraint, execution or other process is levied or enforced on any material part of the Company's property and is not paid out, withdrawn or discharged within fifteen Business Days; or
- f) the Company has passed a resolution for its winding up; or
- g) an order is made for the winding up or administration of the Company.

The Company shall notify the Secretary of State as soon as possible after receiving any petition which may result in an order for the winding up or administration of the Company and shall provide an explanation to the Secretary of State of the circumstances giving rise to the service of such a petition.

Effect of Termination

- 98) In the event of the termination of this Agreement however occurring the Secretary of State shall procure that his nominee shall resign as a member of the Company and shall co-operate in making any associated amendments to the Company's Articles of Association.

Appointment of Additional Governors by the Secretary of State

- 108) If the Secretary of State becomes entitled in accordance with the Articles to appoint Additional Governors (as defined in the Articles) by reference to the particular circumstances of an Academy rather than circumstances pertaining to all or substantially all Academies or the affairs of the Company generally, the Company will:

- 3.5 The Academy is planned to open in September 200● and it has not been practicable for the Company and the Secretary of State to agree, prior to the making of this Agreement, the various detailed matters in respect of which expenditure is to be incurred up to the amount of the Cash Limit, including:
- 3.5.1. the detailed Capital Cost Spreadsheet (a pro-forma of which is set out in Annex 2), showing the limit of the capital costs that may be incurred in order to provide for the refurbishment and capital development of the Academy;
 - 3.5.2. the Capital Cash Flow Programme (a pro-forma of which is set out in Annex 3B) showing the projected cash flow of capital expenditure by the Company after the execution of this Agreement;
 - 3.5.3. the arrangements for payments (including the timing) of the capital expenditure (a pro-forma of which is set out in Annex 3C);
 - 3.5.4. the architect's drawings and material specifications for the construction/refurbishment of the Academy.

Accordingly, the parties agree to negotiate with a view to reaching agreement on such matters as soon as practicable and in any event not later than [*cut off date*]. The documents referred to in clauses 3.5.1 to 3.5.3 above will be in the form of the pro-forma documents set out in Annexes 2, 3B and 3C or as near thereto as circumstances permit and the parties agreement of such documents shall be recorded in writing.

- 3.6 Both parties recognise that as the project develops it may be necessary to review costs in the Capital Cost Spreadsheet, once agreed in accordance with Clause 3.5, and to move costs between spreadsheet elements in order to ensure that the project remains within its approved budget. Where the Company wishes to make such adjustments of over £10,000, it must submit the requested adjustment with the reasons for it to the Secretary of State for approval.
- 3.7 Where the Company foresees a significant change in the timing of Capital Expenditure, that is a change to the figures of over £100,000 in the Capital Cash Flow Programme, once agreed in accordance with Clause 3.5, a revised Capital Cash Flow Programme must be submitted to the Secretary of State for approval.
- 3.8 The Secretary of State and the Company hereby agree that:

- 3.8.1. The Company must ensure that no pattern of spending is allowed to develop which cannot be contained within the approved capital expenditure limits. The Secretary of State must be informed immediately if any danger of any of the capital costs, once agreed in accordance with Clause 3.5, being exceeded is foreseen so that steps can be taken to rectify the situation and ensure that the project remains within its capital cash limit.
 - 3.8.2. If the costs finally incurred for the purposes set out in Clause 3.5 above are less than the Cash Limit, the costs borne by the Secretary of State shall be reduced accordingly and the Company shall pay the same amount as indicated in Clause 3.2.
 - 3.8.3. If at any stage it appears that the costs incurred for the purposes set out in Clause 3.5 are likely to exceed the Cash Limit, the parties to the Agreement shall urgently consider how to reduce those costs, if necessary by amending the specification of the Academy.
 - 3.8.4. If the costs incurred for the purposes set out in Clause 3.5 exceed the Cash Limit the Secretary of State shall bear the cost of any necessary additional costs the need for which could not reasonably have been foreseen at the time the Cash Limit was set.
 - 3.8.5. If the parties agree that additional capital expenditure to establish the Academy, other than that specified in Clause 3.5 may be incurred then the parties shall divide such additional costs between them in such proportions as may be agreed between them. No such additional expenditure is to be incurred without prior agreement in writing between the parties.
- 3.9 Any capital expenditure during the life of this Agreement beyond the Cash Limit on which grant payments are sought from the Secretary of State will require the specific agreement of the Secretary of State. Such consent shall not be unreasonably withheld or delayed. Unless the Company undertakes to meet such capital costs entirely itself such approved costs as are incurred will be shared in a proportion to be agreed between the Secretary of State and the Company in relation to, and having regard to the nature of, each such capital project.

4 **IMPLEMENTATION GRANT**

The Secretary of State agrees to pay Implementation Grant to the Company in accordance with Annex 3C to this Agreement (when agreed in accordance with clause 3.5).

5 **GAG AND EAG**

The Secretary of State agrees to pay GAG and EAG to the Company in relation to the Academy in accordance with the Master Agreement.

6 **TERMINATION**

6.1 Either party may give not less than seven years' written notice to terminate this Agreement, such notice to expire on 31 August ● or any subsequent anniversary of that date.

6.2 The Secretary of State may at any time after [cut off date] terminate this Agreement immediately by notice in writing to the Company if the Company and the Secretary of State do not on or before [cut off date] reach agreement on funding the establishment of the Academy as provided for in Clause 3.5.

6.3 If the Secretary of State is of the opinion that the Academy no longer has the characteristics set out in clause 11 of the Master Agreement or that the conditions and requirements set out in clauses 11 and 12 of the Master Agreement are not being met, or that the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement, the Secretary of State may give notice of his provisional intention to terminate this Agreement.

6.4 Any such notice shall be in writing and shall:

6.4.1. state the grounds on which the Secretary of State considers the Academy no longer has the characteristics set out in clause 11 of the Master Agreement or is not meeting the conditions and requirements of clauses 11 and 12 of the Master Agreement or the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement;

6.4.2. specify the measures needed to remedy the situation or breach;

6.4.3. specify a reasonable date by which these measures are to be implemented;
and

6.4.4. state the form in which the Company is to provide its response and a reasonable date by which it must be provided.

6.5 If no response is received by the date specified in accordance with clause 6.4, the Secretary of State may give the Company 12 months, or such lesser period as he

considers appropriate in the circumstances, written notice to terminate this Agreement.

6.6 If a response is received by the date specified in accordance with clause 6.4, the Secretary of State shall consider it, and any representations made by the Company, and shall, within three months of its receipt, indicate that:

6.6.1. he is content with the response and/or that the measures which he specified are being implemented; or

6.6.2. he is content, subject to any further measures he reasonably specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or

6.6.3. he is not satisfied, that he does not believe that he can be reasonably satisfied, and that he will proceed to terminate the Agreement.

6.7 In the circumstances of clause 6.6 the Secretary of State shall notify the Company why he believes that he cannot be reasonably satisfied and, if so requested by the Company within thirty days from such notification, he shall meet a deputation including representatives from directors of the Company and the Local Governing Body of the Academy to discuss his concerns. If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 11 of the Master Agreement or does not and will not meet the conditions and requirements set out in clauses 11 and 12 of the Master Agreement or the Company is in material breach of the provisions of this Agreement or the Master Agreement and such breach will not be remedied to his reasonable satisfaction, he shall give the Company twelve months written notice to terminate this Agreement.

6.8 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, the period of twelve months notice referred to in clause 6.6 may be shortened to a period deemed appropriate by the Secretary of State.

6.9 The Secretary of State will, by not later than the end of December each year provide to the Company an indication of the level of funding to be provided by the Secretary

of State to the Company by way of GAG and EAG in the next following financial year (the “**Indicative Funding**”). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following financial year (the “**Critical Year**”) and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 86 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company (“**All Other Resources**”), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current financial year.

6.10 Any notice given by the Company under clause 6.9 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 6.8 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

6.10.1.the grounds upon which the Company’s opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

6.10.2.the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and

6.10.3.a detailed budget of income and expenditure for the Academy during the Critical Year (the “**Projected Budget**”).

6.11 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time

about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

- 6.12 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the “**Expert**”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “**Shortfall**”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.
- 6.13 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist’s fees shall be borne equally between the parties.
- 6.14 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert’s determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.
- 6.15 If the Company shall have given notice to terminate the Agreement under clause 6.14, the Secretary of State may by notice in writing to the Company require the Company to appoint up to two persons nominated by the Secretary of State as directors of the Company. The right to nominate additional directors shall be without

prejudice to the right of the Secretary of State to appoint additional directors under Article 40 of the Articles if the conditions in Article 38 of the Articles are, or become, satisfied and the Company hereby agrees to procure the necessary amendments to its Articles to give effect to this right within six months of the date of this Agreement.

- 6.16 The Secretary of State may at any time by notice in writing terminate this Agreement forthwith if the Academy has ceased (except where such cessation occurs temporarily by reason of an event beyond the reasonable control of the Company) to operate as an Academy within the meaning of Section 482 of the Education Act 1996.

7 EFFECT OF TERMINATION

- 7.1 In the event of termination of this Agreement however occurring the school shall cease to be an Academy within the meaning of Section 482 of the Education Act 1996.
- 7.2 If the Secretary of State terminates this Agreement for reasons other than that the Academy no longer has the characteristics set out in clause 11 of the Master Agreement, or is no longer meeting the conditions and requirements set out in clauses 11 and 12 of the Master Agreement that the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement, the Secretary of State shall indemnify the Company.
- 7.3 The amount of any such indemnity shall be determined by the Secretary of State having regard to any representations made to him by the Company, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.
- 7.4 The amounts and categories of expenditure incurred by the Company in consequence of the termination of the Agreement in respect of which the Secretary of State shall indemnify the Company include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.
- 7.5 On the termination of this Agreement however occurring the Company shall repay to the Secretary of State a sum in respect of the Capital Grant made under clause 3.
- 7.6 The amount to be repaid to the Secretary of State in accordance with clause 7.5 shall be determined in accordance with subclauses 7.6.1 or 7.6.2 as appropriate.

- 7.6.1. Where the Company retains the site and buildings of the Academy the amount to be repaid to the Secretary of State shall be a percentage of the value of the assets belonging to the Company at the date of termination which were purchased wholly or in part with capital grants paid under this agreement. Such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original cost of those assets, whether that contribution was made on the establishment of the Academy or later;
- 7.6.2. Where the Company disposes of the site and buildings of the Academy the amount to be repaid to the Secretary of State shall be a percentage of the net proceeds of the realisation of the assets belonging to the Company at the date of termination, which were purchased wholly or in part with capital grants paid under this agreement. Such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets whether than contribution was made on the establishment of the Academy or later.
- 7.7 The Secretary of State may waive in whole or in part the repayment due under clause 7.6 if:
- 7.7.1. The Company obtains his permission to invest the proceeds of sale for its charitable objects; or
- 7.7.2. The Secretary of State directs all or part of the repayment to be paid to the LEA.
- 7.8 If any land or premises of the Academy were acquired by the Company from an LEA by a scheme under Schedule 35A of the 1996 Act or otherwise at less than the market value of the land at the date of acquisition, and the Secretary of State does not make a scheme as provided for in Schedule 35A (Paragraph 8) of the 1996 Act , the Company may dispose of its interest in that land or premises but only with the consent of the Secretary of State, who shall have regard to any representations from the Company and the LEA from which the land was transferred before giving or withholding that consent.

3. 4. Every person nominated to be a Member of the Trust shall either sign a written consent to become a Member or sign the register of Members on becoming a Member.
5. A Member may in his absolute discretion permit the other Member to resign. A Member's membership of the Trust shall cease immediately on the receipt by the Trust of a notice in writing signed by the person or persons entitled to remove him under article 3 (provided that no such notice shall take effect when the number of Members is one unless it contains or is accompanied by the appointment of a replacement Member).

GENERAL MEETINGS

6. The Trust shall hold an Annual General Meeting each year in addition to any other meetings in that year, and shall specify the meeting as such in the notices calling it; and not more than fifteen months shall elapse between the date of one Annual General Meeting of the Trust and that of the next. Provided that so long as the Trust holds its first Annual General Meeting within eighteen months of its incorporation, it need not hold it in the year of its incorporation or in the following year. The Annual General Meeting shall be held at such time and place as the Directors shall appoint. All General Meetings other than Annual General Meetings shall be called Extraordinary General Meetings.
7. The Directors may call general meetings and, on the requisition of Members pursuant to the provisions of the Act, shall forthwith proceed to convene an Extraordinary General Meeting for a date not later than eight weeks after the receipt of the requisition. If there are not within the United Kingdom sufficient Directors to call a general meeting, any Director or any Member may call a general meeting.

NOTICE OF GENERAL MEETINGS

8. An Annual General Meeting and an Extraordinary General Meeting called for the passing of a special resolution appointing a person as a Director shall be called by at least twenty-one clear days' notice. All other Extraordinary General Meetings shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed
 - a) in the case of an Annual General Meeting, by all the members entitled to attend and vote; and
 - b) in the case of any other meeting by a majority in number of members having a right to attend and vote, being a majority together holding not less than 95 per cent of the total voting rights at the meetings of all the Members.

The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and, in the case of an Annual General Meeting, shall specify the meeting as such.

The notice shall be given to all the Members, to the Directors and auditors.

9. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS.

10. No business shall be transacted at any meeting unless a quorum is present. A Member counts towards the quorum by being present either in person or by proxy. Two persons entitled to vote upon the business to be transacted, each being a Member or a duly authorised representative of a Member organisation, or one tenth of the total number of such persons for the time being, whichever is the greater, shall constitute a quorum.
11. If a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Directors may determine.
12. The chairman, if any, of the Directors or in his absence some other Director nominated by the Directors shall preside as chairman of the meeting, but if neither the chairman nor such other Director (if any) be present within fifteen minutes after the time appointed for the holding the meeting and willing to act, the Directors present shall elect one of their number to be chairman and, if there is only one Director present and willing to act, he shall be the chairman.
13. If no Director is willing to act as chairman, or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of their number to be chairman.
14. A Director shall, notwithstanding that he is not a Member, be entitled to attend and speak at any general meeting.
15. The chairman may, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more, at least seven clear days notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.
16. A resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of the show of hands a poll is duly demanded. Subject to the provisions of the Act, a poll may be demanded:-
 - a) by the chairman; or
 - b) by at least two Members having the right to vote at the meeting; or
 - c) by a Member or Members representing not less than one-tenth of the total voting rights of all the Members having the right to vote at the meeting.
17. Unless a poll is duly demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the

votes recorded in favour of or against such resolution.

18. The demand for a poll may be withdrawn, before the poll is taken, but only with the consent of the chairman. The withdrawal of a demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.
19. A poll shall be taken as the chairman directs and he may appoint scrutineers (who need not be Members) and fix a time and place for declaring the results. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
20. A poll demanded on the election of the chairman or on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken either immediately or at such time and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent continuance of a meeting for the transaction of any business other than the question on which the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
21. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
22. A resolution in writing executed by or on behalf of each Member who would have been entitled to vote upon it if it had been proposed at a general meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Members.

25. No objections shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting shall be valid. Any objection made in due time shall be

referred to the chairman whose decision shall be final and conclusive.

29. A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was received by the Trust at the office or at such other place at which the instrument of proxy was duly deposited before the commencement of the meeting or adjourned meeting at which the vote given or the poll demanded or (or in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

4. In discharging their duties the principal and Local Governing Body of each Academy will have regard to the Secretary of State's guidance on exclusions¹ as if the Academy were a maintained school, except that:

- references to the maintaining LEA in paragraph 26(c) of the guidance should be construed as a references to the LEA in which an excluded child is resident;
- the Academy, and not the LEA, is responsible for making arrangements for independent appeal panels to hear appeals against permanent exclusions where the Local Governing Body does not direct reinstatement (see paragraph 35 and part 5 of the guidance, and below);
- the Local Governing Body is not expected to seek the advice of an LEA officer when considering an exclusion (paragraph 73 of the guidance), although an LEA officer may attend any meeting to consider an exclusion at the request of a parent; and
- part 8 of the guidance (arrangements for money to follow pupils who have been permanently excluded from school) does not apply.

Constitution and conduct of independent appeal panels

ARK Academies will be responsible for carrying out the functions assigned to the LEA in part 5 of the guidance with regard to the management of the appeal procedure. Appeals panels must be impartial and constituted in accordance with the detailed provisions of paragraphs 95-97 of the guidance. ARK Academies will arrange suitable training for appeal panel members and clerks.

The appeal panel's decision is final and binding on ARK Academies. A parent may seek a judicial review of a panel's decision. A parent may not, however, appeal to the Commissioner for Local Administration (the Local Government Ombudsman) about maladministration because the Commissioner's remit is limited to considering the conduct of appeal panels constituted by LEAs.
