Ark Bentworth Primary Academy Lettings Policy & Conditions of Hire

Aims and objectives

Ark Bentworth Primary Academy wishes to make the most of our facilities. Our aim is to maximise the benefit to the local community, to our pupils and their families. We are also committed to generating additional income from the hire of our facilities which will provide a valuable income stream to the Academy budget. This income will help us to maintain our facilities in the best possible condition.

Being at the heart of our Community is one of our core values and promoting community use and access to our facilities is a way in which we can demonstrate this commitment. We shall promote a balanced range of activities and give preference to those in which our pupils can play an active part.

We do, however, offer our pupils an extended day and any use of our facilities must not be detrimental to our staff or pupils or to the smooth running of the Academy. We reserve the right to decline booking requests and to cancel any bookings without notice, should we have cause for concern.

Pricing Policy:

We consider that we offer a competitive pricing structure taking into account the quality of provision, location and the associated maintenance and running costs of our facilities. Our funding agreement does not permit us to subsidise lettings although we shall endeavour to maintain this competitive pricing structure.

We shall offer preferential rates to the following priority groups:

- Groups offering activities exclusively for the pupils of the Academy
- Groups offering activities in which our staff or pupils can participate
- Groups offering activities for disabled people

In addition the Academy may offer preferential rates at its discretion. Normally prices will be reviewed annually and increased to reflect prevailing operational costs.

All of the facilities should be left as they are found, and any additional cleaning needed due to careless or irresponsible use will be charged to the hirer. All breakages must be reported and paid for.

Facility Pricing:

Prices are available on request from the Academy Business Manager due to individual hiring requirements.

Insurance

The Academy will hold adequate Employers, Public Liability and Buildings & Contents insurance cover. Hirers will be expected to provide evidence that they hold adequate Public Liability Insurance. If this is not possible, the Hirer may apply to the Academy for details of cover which may be available at an additional cost. If any proposal for this insurance is accepted, the Policy will only cover the person shown on the Hire Agreement.

OPERATIONAL DETAILS

Booking Arrangements

The school will manage the Lettings process. Enquiries will be handled by our School Business Manager and Site Manager. A Lettings agreement will be issued to each group or individual making a booking. Until the signed agreement is issued the booking remains provisional. Facilities must be booked and paid for in advance. Where there is competition for space, priority will be given to groups which offer activities in which our pupils participate.

Where urgent and unforeseen circumstances arise, we reserve the right to cancel lettings without notice. This might be for example, where urgent maintenance is needed, health and safety reasons, urgent Academy business or any other unforeseen circumstances. In such circumstances, every effort will be made to reschedule the let. Failing this, a refund will be offered. We will do our very best to avoid cancellations.

Access, security and parking

The Academy will endeavour to ensure well managed, safe community access to its facilities and will make every effort to protect neighbours from noise and nuisance.

The Academy has been designed to provide the highest standards of security with a controlled access system with zoned access to various parts of the site. This supports community use of certain areas of the Academy, whilst preventing access to the rest of the site. It has also been designed to provide ease of access to any person with a disability. Our staff will provide access to site so we will not issue access cards.

Pedestrian access to our facilities is on Bentworth Road. Pay and display parking is available on the street.

Management responsibilities

The Academy is committed to providing a safe and secure environment for all its users and we expect our users to comply with relevant health and safety legislation, no smoking regulations, fire evacuation procedures and to carry out appropriate risk assessments. Where Academy staff are providing services directly to groups, they will be suitably qualified, competent in the activities they are engaged in and have enhanced DBS disclosures which are deemed acceptable by the School Business Manager.

No use will be permitted that may compromise the security of the Academy or that might adversely affect our reputation. Furthermore, the Academy will not permit any activity that they believe does not maintain an adequate level of care for those taking part. All hirers with responsibility for children on our premises will be required to demonstrate that only suitably vetted people are on site. All necessary precautions will be taken to ensure that the safety and security of students and staff at the Academy is maintained.

Review and Monitoring

The hire of our facilities and our pricing policy will be reviewed annually by our Governing Body.

Policy Review Date: September 2018
