

Spellings

- This term children will take home a short list of spellings each Friday. This will help children with their literacy and phonics skills. We will practice these spellings on a Friday and a new list will be taken home.
- Please help your child learn their spellings at home 😊

Reception Curriculum Map Spring 1 Term 2017

Topic: Out of this World

Literacy and Topic

Our books this term will be based around our Out of this world topic. This topic will be all about the planets and space!

The Man on the Moon

by Simon Bartram.

Whatever Next!

by Jill Murphy

Understanding the World

- In circle time we will be exploring how to listen and respond to the ideas of others.
- In IT we are learning to complete a simple programme on the school laptops, and researching space.
- We will be learning about the planets and space and answering questions such as 'How do you get to the moon?'

Mathematics

In Maths, we will follow the Mathematics Mastery programme.

During maths this term we will be working on:

- Numbers to 20
- Addition and Subtraction
- Grouping and Sharing
- Calendar and Time

Physical Development

- This term we will be focusing on movement and dance, yoga and group games.

P.E. Lessons will be on **Monday**

How to help your child's learning...

- Your child will be bringing reading books home. Please ensure that you listen to your child read as much as possible!

Reading books will be changed on **Friday**.

- Practice weekly spellings and allow your child to free-write whenever possible, using their phonics to sound out words.

Phonics

This term the children will be moving into different phonics groups, some children will have reading books to take home.

Please support your children by listening to them read their phonics books and encouraging them to sound out and write words and letters in the world around them.
