

Home/School Prep

Once completed the children can bring in their home learning and present them to the class. Can children please bring in all home learning on the week of the 17th December 2018.

Literacy

Fiction: The three little pigs

In Literacy we will begin by focussing on the three little pigs. We will be learning the words, rhythm and structure of the text and then moving on to rewriting it with altered events and characters and then finally writing our very own narrative.

Following this we will leaning how to write recounts. The children will be learning how to write in the past tense and in the first person.

Throughout the half term we will be focussing on full stops, capital letters and finger spaces in all our writing as well as using 'and to join clauses in sentences.

Science

This term we will be exploring the seasons and the weather through our topic autumn and winter. We will be leaning how different animals and plants survive in colder climates. The children will learn how to read and tell the weather using appropriate weather symbols.

Year 1 Curriculum Map Autumn 2

How to help your child's learning

Reading: Your child will be a given a stage for their home reading books. They will bring home a new book each week along with one from their phonics group, which they are expected to read. Please support your child with developing their comprehension by listening to them read and checking that they understand what they have read. Ask as many questions as you can using the 5W's: Who? What? When? Where? Why? Children should be reading with an adult at least 5x per week for minimum of 15mins.

Spelling: Can children please practise all year 1 common expectation words. When children are doing any writing at home can children be encouraged to use phonetical spelling for all other words.

Maths: It would also be very helpful if you could practise numbers bonds to 10 and 20 with your child as well as halving numbers 0-20.

Topic and Other Subjects

Our big question is: What is it like to live in our local area? And how can we improve it for our future?

Art- For art this half term we will be developing our printing skills by printing and creating art of key locations in our local area. We will also be creating autumnal paintings using autumn colour inspirations.

Maths

- Addition and subtraction within 20
- Applying addition and subtraction skills to word problems up to 20
- Recognising and finding a half of a number up to 10
- To be able to tell the time to the hour
- To be able to sequence the months of the year
- Doubling numbers to 20
- Ordering numbers in ascending and descending order

Key Days and Events

Health, Sports & Fitness – P.E will take place on Thursday and Friday afternoons. Please come to school wearing the correct school kit.
