

Literacy

- Continue the story of Lazy Jack. What next happens in his story?
- Write a persuasive letter to Miss Cruddas. You could choose to write about having extra play, shorter/longer school days or why it would be good to not have school uniform.

History/ Geography

- Create a collage of things that are related to the seaside. E.g picture of the sun, sand. You can find these pictures in newspapers, magazines or print them from the internet.
- Design a perfect seaside holiday that you would like to go to with your family. What would you bring? What you do there?

Year 2 Home Learning.

Children should choose as many project ideas as they wish and complete them in their independent learning folders. We will then share the homework in show and tell sessions in class.

Additional to this, each child has unique login details for Mathletics (www.mathletics.com). This is a useful online tool to help support your child in Maths. We advise no more than 30 minutes each day.

Thank-you for your continued support!

Art and design

- Make a collage or a 3D model of Jack from our story.
- Design a postcard from the seaside that you would like to send to a friend.
- Construct a 3D model of your bedroom from recycled materials.

Science

- In your house, test a few materials that you could squash, bend, twist or stretch. Make a table of your findings.
- Make a paper aeroplane. Could you improve the design so it will go further? What did you do?
