

Literacy

- Write your own myths and dairies
- Research your favourite author and write a biography about them.
- Write a book review and share it with your friends.
- Learn your favourite poem off by heart - Challenge! Why don't you perform it in assembly?
- **PRACTISE YOUR SPELLINGS EVERYDAY**
- **READ FOR 30 MINTUES EVERYDAY**

Maths

- Investigate common 2D and 3D shapes. What 3D shapes can be found in the home? In your local area?
- What is a Mobius strip? Make one at home and investigate its properties
- What is a torus? What other shapes make up a torus?
- Revise finding the area, volume and perimeter.

Music

You could...

- Find music people listened to in the Viking era
- Find out about Viking instruments and songs
- Find out about NorthernEuropean musical influences

Year 5

Science

- Investigate how the Great Pyramids of Giza were built. How did the Ancient Egyptians move the gigantic blocks without any big machinery?
- Make a marble run and investigate friction with different materials - how many obstacles can your marble run include?

PHSE

Our value for this half term is generosity. Come up with a fun, exciting and inventive way to raise some money for a charity of choice. Share these ideas with Ms Crudass and see how much we can raise!

Topic

You could...

- Write a myth or legend using the features of a myth or legend that has been learnt in class.
- Research Norse legends and how they are linked to the history and geography of Northern Europe.
- Enjoy reading a variety of myths and legends from round the world

RESEARCH MAPS OF THE SILK ROADS TO SEE HOW FAR THE VIKINGS TRADED.
WHAT archaeological EVIDENCE HAS BEEN UNCOVERED TO HELP US LEARN MORE ABOUT THE VIKINGS?
