

Topic and Other Subjects

Our topic is Around The World. Pupils...

- Will plan a journey to another place in the world, taking into account distance & time
 - Will work out an accurate itinerary to detail a journey to another part of the world
 - Will give extended descriptions of physical features of different places in the world
 - Will be aware of different weather around the world – including in Europe
 - Will identify and name the Tropics of Cancer and Capricorn
 - Will identify and name the Arctic and Antarctic circles
 - Will explain how time zones work
 - Will begin to recognise the climate of a given country based on its location on a map
- In ICT we will continue our Global Scholars journey, taking part in classroom studies as well as interacting with other students around the globe!
- Sports, Health and Fitness – Children will take part in a carousel of activities to stay active, increase their fitness and understand why it is important to keep healthy.

Maths

- Converting measures between metric measures (length, mass and time)
- Imperial and metric measures
- Adding and subtracting decimals up to 3dp
- Multiplying decimals by 2 digit numbers
- Recognising 2D and 3D shapes
- Properties of 2D and 3D shapes
- Properties of types of triangles
- Properties of quadrilaterals

Year 5 Learning Talk Summer 2

Ark Bentworth Primary Academy

How to help your child's learning

Maths – 132 challenges are available from Miss Oudomvilay to practice at home.

The Khan Academy channel on YouTube also provides a wide range of tutorials available online. Just search the topic and go!

Reading – Children will bring their reading book home every night. Encourage your child to read to you regularly and sign their reading record. Reading books will be changed once a week, however they will also have the opportunity to take a book from our school and class libraries.

READ EVERYDAY FOR 35 MINUTES AND PRACTISE YOUR SPELLINGS

Home/School Prep

There are lots of things that can be done at home to continue children's learning. Your Home/School Prep sheet will give you lots of ideas of various activities that will extend children's learning.

Literacy

- This term the children will be writing job poems, explanations texts and short stories They will compare and contrast characters.
- The children have prepared their own 'Writer's Toolkit'/Success Criteria with skills they are going to include in their writing. Please ask your child about their toolkit.

Guided Reading

- This term the children will continue to read:
Kensuke's Kingdom by Michael Morpago

Science

In Science, we will be learning about the human body and its development over time. We will learn about the stages of human development, how nutrition helps your body grow and change and the public health issues including life expectancy.
