

Literacy

- Write your own story, building anticipation to enliven narration by balancing short and long sentences.
- Research your favourite author and write a biography about them.
Design and information leaflet
- Write a book review and share it with your friends.
- Learn your favourite poem off by heart - Challenge! Why don't you perform it in assembly?

Maths

- Prepare yourself for Year 6...start looking out for revision guides that might be on sale second hand!
- Continue to practice the formal written method for all four operations. Write a mathematical story for your equations!
- Practice using your measuring skills by baking, monitoring the height of your family members or helping out with telling the time.

Music

You could...

- Find music people listened to in Rio de Janeiro, Cape Town and Australia
- Find out about musical instruments and used by Aborigines

Year 5

Science

- Find out about human teeth and how they grow and change. Write an information report!
- What is life expectancy? Do some research about life expectancy in different countries and compare them to the UK.

PHSE

Our value for this half term is 'Happiness'. Why is this an important quality to have? Make a poster or write a speech to remind others about the importance of happiness for success in life.

Topic
