

## Topic and Other Subjects

In Humanities Year 6 will learn about how our world changes, weather and erosion and studying maps.

In ICT we will be continuing our Global Scholars journey, taking part in classroom studies as well as interacting with other students around the globe! Our unit this half term in How we live and work.

Art – In art we will continue with Pop Art and its influence on artists today. We will sketch and paint our own pop art!

Sports, Health and Fitness – Children will take part in a carousel of activities to stay active, increase their fitness and understand why it is important to keep healthy.

## Year 6 Learning Talk Summer 2

# Ark Bentworth Primary Academy

## Home/School Prep

There are lots of things that can be done at home to continue children's learning. Your Home/School Prep sheet will give you lots of ideas of various activities that will extend children's learning.

## Literacy

- During our Literacy lessons, year 6 will learn how to write: non-chronological reports, explanation texts, short stories and recounts of school memories.
- The children will generate their own success criteria. Please ask them about this
- During our Guided Reading sessions we will be reading Skellig by David Almond

## Maths

- Problem solving and Maths Challenges - we will be applying skills from across the curriculum to solve a series of puzzles and problems.
- Introduction to Year 7 Maths - we will be studying some concepts linked to Algebra. These include number sequences, grouping terms and graphing algebraic equations.

## How to help your child's learning

**Maths** – Throughout the year the children will be practicing their times tables, with the expectation that they will have learnt them all by the end of the year. You should encourage them to practice a different times table each week.

**Reading** – Children will bring their reading book home every night. Encourage your child to read to you regularly and sign their reading record. Reading books will be changed once a week, however they will also have the opportunity to take a book from our school and class libraries.

## PRACTISE SPELLINGS

## Science

In science we will be learning Super Scientists. We will look at the journey taken and the jobs that they do. We will research how technology has had an impact on science and the work of scientists in the 21<sup>st</sup> Century.
