

## Topic and Other Subjects

In Humanities Year 6 will learn about Morals. Values and Beliefs around the World.

In Art, we will be world art and how religions influence and creating our own art around moral themes

In ICT. we will be continuing our Global Scholars journey, taking part in classroom studies as well as interacting with other students around the globe! This term we hope to have an introduction to 3D modelling and design.

Sports, Health and Fitness – Children will take part in a carousel of activities to stay active, increase their fitness and understand why it is important to keep healthy.

## Maths

- Adding, subtracting, multiplying and dividing with decimals
- Measurement conversions between metric and imperial units
- Solving multi step word problems involving time
- Simple ratio and scale using proportion
- Investigating Statistics with Mode, median and range
- Regular SATs revision – 10 weeks to go!

## Year 6 Learning Talk Spring 2

# Ark Bentworth Primary Academy

## How to help your child's learning

**Maths** – Revision books are often useful at this time of year as they provide good practice for the concepts learnt at school. Ask Miss Oudomvilay for recommendations. There are also a range of useful websites where revision material can be found.

**Reading** – Children will bring their reading book home every night. Encourage your child to read to you regularly and sign their reading record. Reading books will be changed once a week, however they will also have the opportunity to take a book from our school and class libraries.

## Home/School Prep

There are lots of things that can be done at home to continue children's learning. Your Home/School Prep sheet will give you lots of ideas of various activities that will extend children's learning.

## Literacy

- During our Talk for Writing sessions we will learn how to write narratives and create informative and persuasive leaflets
- The children will create their own writer's toolkit and understand the features persuasion and narrative. Please ask them about their toolkit
- During our Guided Reading sessions we will read Macbeth by Shakespeare. Visit the Globe and watch an animated version of the play.

## Science

In Science, our topic of study is Evolution and Inheritance. We will be conducting investigations based on the theory of evolution. How DNA works and the role that inheritance plays in our daily lives.
