A message from the Head of School

This week has been an incredibly busy week what with the Year 6 end of year assessments. We have all been truly inspired by the children; they have all worked so hard, have shown resilience and determination and with that, they all deserve to do well. Many thanks to all the staff for their hard work but also to the parents for all their support. A real team effort – exactly what Ark Bentworth is all about!

Both Years 1 & 5 have been out and about in the local area enhancing their learning through some exciting educational trips. Year 1 went to the Bunny Park in Hanwell and met some meerkats. The children were very excited to share their learning about the animal's habitats. Year 5 have been to both Kew Gardens and IntoUniversity over the last week. The children demonstrated great teamwork and were awarded for their concentration and effort with a certificate of achievement. Well done to all the children for representing the school in such a positive way.

The weather is indeed getting a lot warmer. Water bottles are permissible in the Academy and we actively encourage the children to drink a lot of water over the course of the day. I would like to see more children wearing the school baseball hat; this offers good protection from the sun at break times. To reassure you, we do encourage the children to sit in the shade to cool down at the end of their lunchtimes in order to prepare them for their afternoon of learning.

I hope you all have a great weekend and I look forward to seeing you all on you on Monday.
