A message from the Head of School

The tragedy at Grenfell Towers has really dominated not just the news but also the conversations that have been had within the Ark Bentworth Community. Since joining the school 2 years ago, I have always been struck by the genuine community spirit that surrounds the school; a spirit that has humbled me and the staff on many occasions. Empathy and compassion is abundant in this Academy; not just for the activities and fundraising events that we have over the course of the year, but when times are hard or like we saw this week – an unprecedented tragedy – we come together and show what a strong community we are. I am immensely proud to be part of this community and I know we will continue to epitomise our school values, most importantly, those of Generosity and Respect.

I just want to say thank you for the support that you have given this week not just with your donations, but in giving up your homes to give some of the residents places to stay; in the time that some of you have given to support the distribution of goods both at the school and in Latimer Road area and for the generous donations of money. But my biggest thank you is to you the community as a whole... you are amazing!

I hope you all have a safe weekend and I look forward to seeing you all on Monday.
