A message from the Principal

We are fast approaching the end of this Autumn Term and there is a lot booked in; so please do make a note of putting dates in your diaries so we can make sure we have all the events mapped in!

Next week we see the start of assessment week. It is always important that the children do their very best during this week. It gives us the opportunity to ensure any gaps in your child's learning is planned for and to ensure all the children are making adequate progress. We will be also sending out your child's test results as it is important that we share this information with you. As always we are available to discuss any concerns that you may have after the results are published.

This week Year 4 visited the London Mithraeum, the remains of a Roman Temple that was found in the City of London. They had a fantastic trip and learnt a lot about the temple that dates back to AD 240. Year 5 braved the elements and visited the London Wetland Centre as part of their Science Topic. Year 1 continued their tour of the local community and visited Shepherds Bush Market. More trips have been booked over the next two weeks and please can we make sure all the children are wearing coats, hats and scarves. It is very cold outside!

Please do read the notices on the second page as I have listed all the dates and times of the up and coming events for the remainder of this term. We are still looking for tombola and raffle prizes for the Fair and if you can help... please do let us know!

One final reminder is that the Academy will be closed on **Friday 8th December 2017** for Ark Network Training. I look forward to seeing you all on Monday; have a safe weekend.
