## A message from the Head of School

A fantastic week of celebration has been had this week in Ark Bentworth.

Key Stage 2 had their Sports Day on Tuesday. We were very lucky to use the playground space at Ark Swift. I was very proud to watch the children display some great skills in the various events and all the children were a credit to the Academy.

A huge CONGRATULATIONS to Year 6. The class celebrated their graduation on Wednesday and were fortunate this year to have the ceremony at St. Mary's University in Twickenham. It was a fantastic occasion with parents, siblings and other members of the family attending. Year 5 also attended and it gave them a taste of things to come next year.

The children were given a tour of the University and were able to think about the different options if they choose to go to a University like St. Mary's. The rain didn't dampen anyone's spirits and a massive thank you to everyone who organised and supported the event.

We are coming to the end of Ramadan and I am looking forward to celebrating Eid with our community. As soon as you know when your great day arrives, can you please let me know so that we can plan some events in school.

I hope you all have a lovely weekend and I look forward to seeing you all on Monday. Can we please be mindful also that school finishes on Wednesday 20<sup>th</sup> July and all children are expected in school up to and including that day. Thank you.
