A message from the Head of School

It has been a very busy week here at the school. We are definitely back into the full swing of work.

Attendance will always play a very important part in your children's education here at Ark Bentworth. I am very aware that we have been blighted with every single sickness bug, cough and cold over this winter period. Here are some interesting statistics. I always used to think having 90% attendance sounded good. But is it...? Did you know that only having 90% attendance equates to the following...

90% ATTENDANCE = 1/2 DAY MISSED EVERY WEEK!

90% ATTENDANCE = 4 WHOLE WEEKS OF LESSONS MISSED EACH YEAR

Only having 90% attendance will also have a serious impact on your child's learning. Thank you to all the parents who have worked with the Academy, seeking advice from us to ensure their child not only gets well but comes back quickly to school. It is also important that medical evidence is given to the office if your child is off for a prolonged period of time.

I am committed to ensuring that all our children get the very best education here at Ark Bentworth and I am very keen to work with all of you to ensure the teaching and learning as well as the attendance here is Outstanding.

I hope you all have a great weekend and I look forward to seeing you all Monday.
