A message from the Head of School

Some of you may have seen the troughs that we had built into the playground when it was redeveloped. Each trough was allocated to a class. Mr. Studd and some children from each class have planted their seeds and with the lovely warm weather the plants are now beginning to grow. Please do have a look at them when you are passing, we are hoping to get some good produce of lettuces, radishes and potatoes and some lovely flowers. A hint of colour is always welcome this time of the year.

This week the school was awarded the Healthy Schools Award Bronze Level – well done to Ms Yasui and her team for her hard work in enabling this award to happen. We are working hard to ensure that the school is awarded their Silver Award this term.

One more piece of good news... Ark Bentworth & Ark Conway teachers came together to write a Sports, Health & Fitness Program that was bought by Rising Stars. This program called – Champions – is now available to all schools to purchase. Due to this, the program has been awarded the following...

The Educational Resources Awards 2016 (ERA) WHOLE CURRICULUM SUBJECT RESOURCE AWARD

Some great news stories this week and confirms how the school is going from strength to strength in all areas of the curriculum. I hope you all have a great weekend and see you on Monday.

PE & Footwear

Please can we remind you that children should be wearing black trainers or plimsolls for PE. We have noticed that coloured trainers are creeping in - these are not school policy. If you are having difficulties sourcing new black trainers please do not hesitate to speak to the office or Ms Cruddas.

Enrichment Clubs

We are still signing up for the Enrichment clubs. Some clubs are going very quickly so to avoid disappointment please come to the office and sign your child up for a club as soon as possible.
