A message from the Head of School

Welcome to the first official newsletter of the Academic Year! It certainly has been a very busy start to the year

Many thanks to all the parents and family members who attended the 'Meet the Teacher' sessions. It was a wonderful opportunity to meet your child's teacher and to listen to and talk through the expectations for the year ahead. If you were unable to come please do feel free to make an appointment to meet your child's teacher over the few weeks.

This week we welcomed parents from Reception & Year 1 classes to the phonics information session that was led by Mrs Felix, our Reading Lead. Last year 100% of the children in Year 1 passed their phonics screening test. This is an outstanding achievement for the Academy and the result of the partnership formed between home and school in the teaching and learning of Phonics. Again if you were unable to attend the information session, please do make an appointment with Mrs Felix. We look forward to working with you over the year.

Finally, Year 6 parents if you were unable to attend the Secondary School Information Session, please do make an appointment to meet with me if you would like further advice or support during this process. This can be a very difficult and worrying time – we are here to help you.

I hope you all have a safe weekend and I look forward to seeing you all on Monday.
