A Message from the Principal

Another busy week in the life of Bentworth!

Many thanks to all the Year 2 parents who came along to the SATs Information Meeting on Thursday. I have sent home a booklet to those of you who were unable to attend. If you would like to meet with me to discuss ways to support your child in the run up to SATs please do not hesitate to contact me. I am more than happy to meet with you on a 1:1 to basis

Last week I informed you that I have organised an Online Safety Information Meeting for Parents **Thursday 31st January 2019 at 9:00 a.m.** The session will be led by Ex-Detective Teresa Hughes. You may remember she ran a session last year. I have invited her back and envisage that this will be an annual event for the Academy. It is very important that we are kept up to date in this ever changing world of the internet and understand some of the threats that are out there and how best we can support our children. The children will also be having workshops over the day that will give them strategies to also keep them safe. The staff too will also be receiving training about Online Safety Awareness. This is a whole school package and as a community we need to make sure we support one another in keeping our young people safe.

We will also be hosting a 'Time to Talk' Tea & Cake meeting for parents and family members on **Thursday 7th February 2019.** It is an opportunity to support Children's Mental Health Week and to meet one another and talk about how we can support the emotional well-being of our community as a whole.

I look forward to seeing you all on Monday. Have a great weekend!

Maira Cruddas
