A Message from the Principal

Many thanks to all the parents who supported the coffee morning on Tuesday. The focus was on nutrition and we were fortunate enough to have the nutritionist from My Time Active. We have a number of very exciting and focused coffee mornings lined up this half term. Look out for the posters and put the dates in your diaries!

The children have already started going out and about in the community, enjoying some lovely trips to enrich their understanding of their topics. Reception enjoyed a day at The Wetland Centre in Barnes. They pond dipped and saw baby otters and just enjoyed being outside learning about animals, plants and their environments. Year 2 have already been on two trips... to London Zoo and to the Botanical Institute in South London. They are also learning about plants and animals and environments and it will also help them get some fantastic ideas for their writing.

Year 5 will be enjoying a day of Science today as they have been invited to Imperial College's Festival for Schools and then they are off to the Imperial War Museum on Tuesday. Not only do these trips enhance the learning of topics and support the writing process, they also open the children's eyes to the world that is out there. We may have some budding zoologists, scientists, landscape gardeners or florists in our school and I hope these trips inspire greatness!

Just a reminder that the school is closed for Polling Day on **Thursday 3rd May 2018**. I am expecting **EVERYONE** back to school on the Friday!! ☺

Have a wonderful weekend won't you and I look forward to seeing you all on Monday.
