A Message from the Principal

We are fast approaching the end of another half term and it will be assessment week for children in Years 1 to 6. As we are all aware, it is really important that all the children are supported in the run up to these tests as we all know tests/assessments form a part of our everyday lives - they are not to be feared, but embraced. This is a great opportunity for the children to 'show off' and demonstrate their knowledge, but for us as a staff to make sure that when we plan for Spring, we can go back to areas of learning that may need to be revised in order for the children to be successful. I know the children will always do their very best here at Bentworth and again I always want to thank you for supporting them in their learning journey. Good luck to all the children!

As we come towards the end of this half term it gives me an opportunity to think about our value for next half term... the value of Generosity. This time of the year can be very difficult for many people so each year we always have a collection for the Trussell Trust who run the Food Bank in our local area. I am going to place a box in the front office and it would be great if we could donate at least one item for the Food Bank. Some of things we are looking for are... cereal, soup, pasta, rice, tinned tomatoes, pasta sauces, tea & coffee, biscuits, toiletries (toothpaste, toothbrushes, deodorants etc.) and any other non-perishable goods. You are an incredibly generous and supportive community and I know that you will have a good look in your cupboards to see if you have any spare items. Thank you in advance for your kindness ☺

I look forward to seeing you all on Monday - please don't forget to support our Christmas Fair next Thursday - and have a wonderful weekend.
