A message from the Interim Head of School

Dear Parents & Carers

We've ended the week with the International Food Fair to celebrate Eid and cake sales to raise money for the Macmillan Cancer Support charity. Both events demonstrated our value of the week - Community. We all achieve success when we work together. Thank you to everyone for the support given.

Year 6 were very excited to open their new Microsoft Linx Tablet computers this week. These new computers have been purchased across the school. Once they get synched to the network it will give the children more opportunities to refine and acquire new skills that will support them in this ever changing world of technology. Exciting times ahead for our children.

I have spent a lot of time in the Early Years this week and it is refreshing to see how quickly our new children have adapted to the routines of school life. The Early Years setting really does establish positive attitudes to learning and establishes a hunger for learning. Many of you may have seen the wonderful article in the local paper celebrating the SATs success at the end of last year. I have attached the article for you to read. We have a lot to be proud of!

I hope you all have a lovely weekend and we look forward to seeing you all on Monday.

Moira Cruddas

Attendance

Winner of the class attendance award this week is **Clarke** with **89.3%** and **2nd** is **Northumbria** with **85.5%** and 3rd is **Prairie View** with **85.4%**.

Our whole school attendance for the week is **84.8%**. At ARK Bentworth Primary Academy we are aiming to exceed this target. Please support us in achieving this goal by ensuring that your child is at school by 8.45am each morning and attends every day.

**100% Attendance winner of the week is:
Chantaye Sariya Hughes
Congratulations!**

Value of the week
