

Dear Parents & Carers

Many thanks to all the parents/carers who gave me such a warm welcome at Wednesday's coffee morning. In the new academic year I am sure they will become a more regular item on the calendar. It is such a good way to communicate and for everyone to meet. Thank you again.

It has been another busy week at the school what with the whole school going to KidZania on Monday. Many thanks to Mrs Yasui for making it happen and to all the staff for supporting the children. They had a fantastic time at the different activities and enjoyed telling me about the 'jobs' they spent time doing. A great way for the children to have an insight into the world of work and budgeting their money.

Next week we have many things to look forward to. Our choir will be joining other singers and musicians from the Ark network as they perform at the music gala at the Barbican. Year 1 will be visiting the Steam Museum in Kew and Year 3 will be enjoying some extra learning at the City of London Boys School. The children at Bentworth not only enjoy learning the wide range of curriculum activities within the school but they are able to extend their learning with the wide range of activities planned for them outside of the school. All of these experiences enable a deepening of their learning and develops their thoughts and ideas.

I hope you all have a lovely weekend and I would like to take this opportunity to wish the members of our Muslim community 'Ramadan Mubarak'.

See you all on Monday.
