

Message from the Head of School

16th January 2015

Dear Parents and Carers,

We are excited to be welcoming an international gymnast and commonwealth games silver medallist to our school next week!

Danny Lawrence will be visiting on Tuesday and leading Years 1-6 in a series of fun fitness circuits in the school hall before doing his own gymnastics demonstration for children to watch. All children in Years 1-6 will need to come to school in their PE kits on Tuesday. The

children have also been given a sponsor form so friends and family can sponsor them for taking part in their fitness circuits. Children just need to be sponsored a one off amount (not an amount for each circuit) and the money raised will go towards buying new sports equipment for the children to use in school. It is obviously not compulsory for children to be sponsored but is a great way to support the school and every penny will help! Children who raise sponsorship will receive a special certificate or sports band depending on the amount they raise.

We look forward to sharing some photos of this fun event with you next week and thank you for your support in advance.

Have a great weekend,

Gemma Grierson
