

Message from the Associate Headteacher

21st November 2014

Dear Parents and Carers,

It's been an exciting and busy anti-bullying week at ARK Bentworth. Children have taken part in workshops, art activities, assemblies and whole school demonstrations to help raise awareness as well as an understanding of bullying. Thank you to all the parents who attended the workshop today on cyber-bullying. I hope you found it a useful tool to think about how you can prevent cyber-bullying affecting your child. We will share some photos of the events in next week's newsletter!

We are pleased to begin the application process today for our next parent governor. A huge thank you to Mr Ali who stepped down from the role of parent governor at the end of the summer after 2 years of dedicated service. We will be holding a coffee morning and parent forum next Friday morning after the celebration assembly to offer parents an opportunity to find out more about the role as well as a chance to discuss any general questions and concerns. Please have a look at the separate letter your child has been sent home with today about the parent governor application process. If you are interested in applying you will need to complete an online application at <http://arkonline.tfaforms.net/2>.

Finally a note of congratulations to Mr McBeath on his exciting new promotion as Executive Head of 3 West London ARK Schools. We are proud and delighted to celebrate his success!

Wishing you all a wonderful weekend,
Gemma Grierson

The Whole Picture

In response to an enquiry about funding for the The Whole Picture After School Clubs:

The Whole Picture receives funding from Hammersmith United Charities to run the summer camps at ARK Bentworth in the school holidays. They do not receive funding for afterschool clubs. Therefore the money charged to parents pays for the cost of hiring the adults to deliver the clubs. Resources used by the clubs such as the roller skates, sports equipment and art materials are provided by the charity. The clubs are organised as a separate venture to the holiday clubs.
