

Message from the Head of School

27th March 2015

Dear Parents and Carers,

It's been a busy assessment week at Ark Bentworth. Children have been working hard to demonstrate their skills and knowledge gathered over the past term and teachers are now in the process of marking and assessing their learning. Well done children for all your efforts!

We are always looking for ways at Ark Bentworth to improve our communication with parents and next week we will be sending home our first end of term interim reports to give you an indicator of how your child is progressing and whether they are on track to meet their targets. These reports will not replace the detailed end of year report you will receive in July but should hopefully provide you with some useful information, including your child's attendance figures and the number of red and yellow cards they have received. As these reports are computer generated teachers will only be adding comments if they think there is a cause for concern but please do use them as a starting point for a conversation with your child's class teacher if there are any issues or questions that arise from what you see.

We are all very much looking forward to the international food market next week! We hope to see as many of you there as possible and please get involved by cooking your favourite dish for the parent community stall. Any profits made will go towards buying new books for the school library. Children can be collected at 2pm to walk around the market with you and you may take them home slightly earlier if you wish.

Wishing you all a great weekend,

Gemma Grierson

The ARK Bentworth International Market

Wednesday 1st April
2pm - 3.15pm

An event for the whole community.

Parents please bring along your favourite international dishes to be sold on the community food stall.

Children will be hosting their own class market stalls with lots of interesting foods to taste and buy. The most successful market stall will win a prize!
