

Message from the Headteacher

21st June

Working as a community is more than just working together. A community school is both a place and a set of partnerships between the school, parents and outside resources. As a school community we connect, collaborate and create. At ARK Bentworth Primary Academy we work as a community to provide a host of opportunities with support built-in to give our children and parents all the tools they need to learn and grow.

Thursday 27th June

Children can be collected from classrooms from 12.30 onwards to celebrate our family picnic. It is advisable to bring a blanket to sit on as the ground may be hard.

If you have not ordered a school packed lunch and would like one for your child please speak to Mrs Walker or Mrs Keenan in the school office by Friday 21st June.

If you prefer to bring to your own food you are most welcome.

Please take care in offering food to children from other families as some children may be allergic to certain products.

We welcome all families on this day to celebrate our first year as ARK Bentworth Primary Academy.

Message from the SENCO

Accompanying children into the office when late

Dear Parents, please ensure that if your child is late coming to school that you personally escort them to the Office so that an attendance mark can be given and also that staff know where they are.

Also our attendance is up and this means that your child will be getting the full support we can offer them and this will increase their attainment. Thank you for your ongoing support.

Thank you for checking your child's packed lunch and ensuring they are getting a healthy meal.

If your child does not have a water bottle at school, you can give them one to bring to school; but please No Sugary Drinks.

One more point, if you have any questions or queries about your child will you please bring it to the class teacher, Senior teacher or Head Teacher.

Have a great weekend.

Ms. Jacobs

Behaviour

On Tuesday Clark, Cumbria, Roehampton and Foebel class received free tickets to watch the 'EPIC' at Vue cinema in Acton.

Since returning from their trip I am very proud to mention that **I have had several parents as well as staff express how mature and sensible our children were during all aspects of the trip.**

This is evidence that good behaviour is at the heart of everything we do and learn at ARK Bentworth Primary Academy and I thank all the children and the teachers for their efforts. With good behaviour comes success!

Birthday wishes to :
