Good Morning

The government has released further guidance regarding key workers and vulnerable children:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Children of key workers and vulnerable children can continue to attend school from Monday if they absolutely need to attend. Wherever possible children should not come into school, the fewer children making the journey to school, the lower the risk that the virus can spread and infect vulnerable individuals in wider society.

Please tell us if you meet the criteria, have no other viable child care options and intend to send your child to school next week by emailing the school:

Best wishes

Karinne Faddy
