

Ark Bentworth Primary Academy
SPORTS PREMIUM 2019/20

Purpose

The Sports Premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils and to encourage the development of healthy, active lifestyles.

Impact

In 2018-2019 the Sports Premium funded two outside agencies (Boom Sports and First Goal/MEND) to come into school to provide additional sports provision, including after-school clubs, a school sports day and inter-school activities. It has had a positive impact on pupils' health and has increased the variety of physical activities the pupils have engaged in.

Sustainability

In 2019-2020, we would like to bring the model of specialist sports provision into our staff team to make it more sustainable. The benefit of this is that we can extend our sports offer to include a greater variety of after-school sports clubs and the introduction of before school clubs, including the daily mile. The least active pupils can then be targeted for additional activities that wrap around the school day. Additionally, funds can be used to promote activities at playtime through the creation of a play squad and purchase of new sport equipment.

Amount of funding 2019/2020
