

## Maths

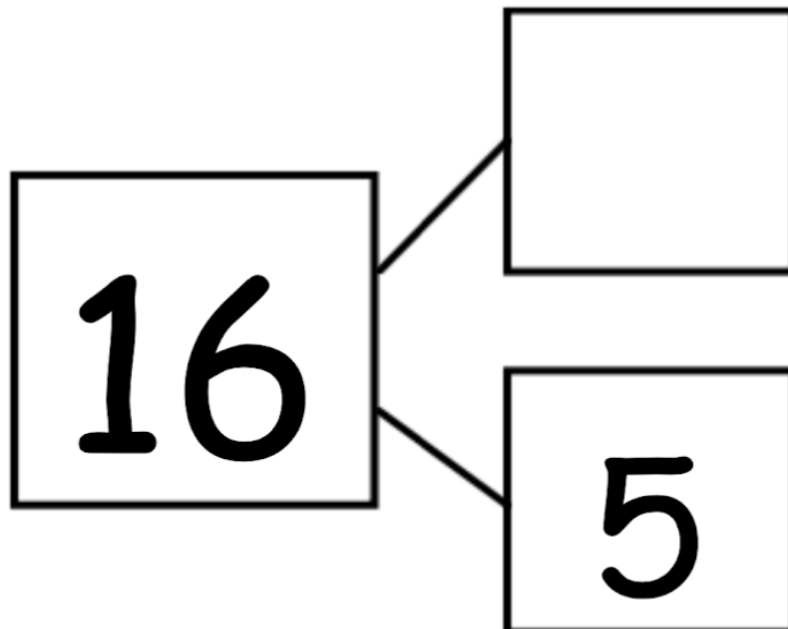

Use your number bonds in the part whole model to complete these addition equations.

1)

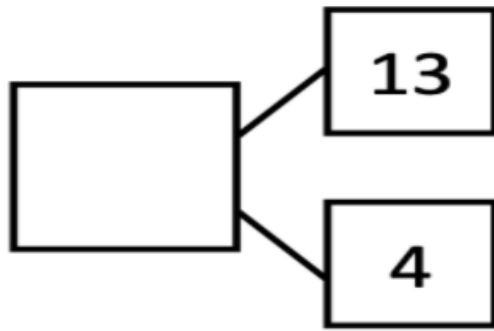

$$\boxed{5} \oplus \boxed{\phantom{00}} = \boxed{9}$$

2)

$$\boxed{5} \oplus \boxed{\phantom{00}} = \boxed{16}$$

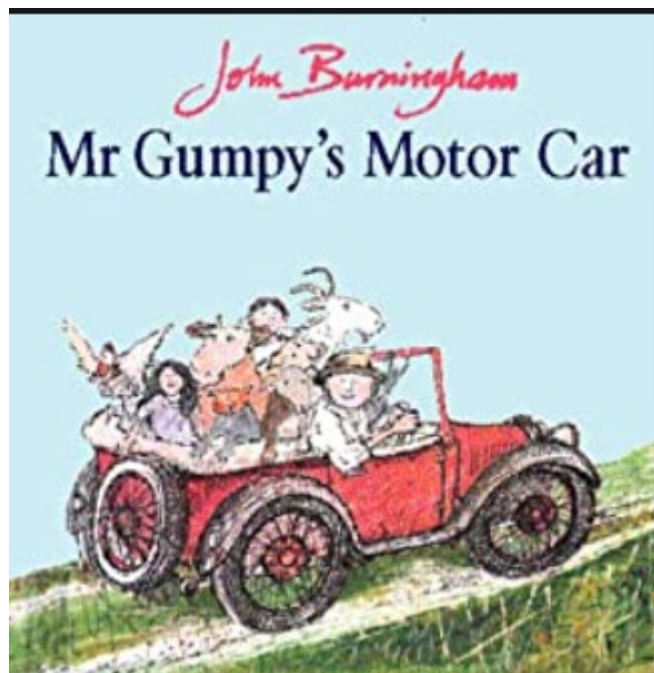

3) Use the part whole models to complete these equations

$$\square = 13 + 4$$
$$17 = 4 + \square$$
$$13 = 17 - \square$$
$$4 = 17 - \square$$

### Writing

Watch the video online of the story *Mr Grumpy's Motor car* and create a story map of the story. Use the story map to retell the story to a member of your family.

# Design and Technology

We are going to be researching, planning and then designing our very own vehicles.

Vehicle name

---

Describe vehicle

---

---

---

Vehicle name

Vehicle name

---

Describe vehicle

---

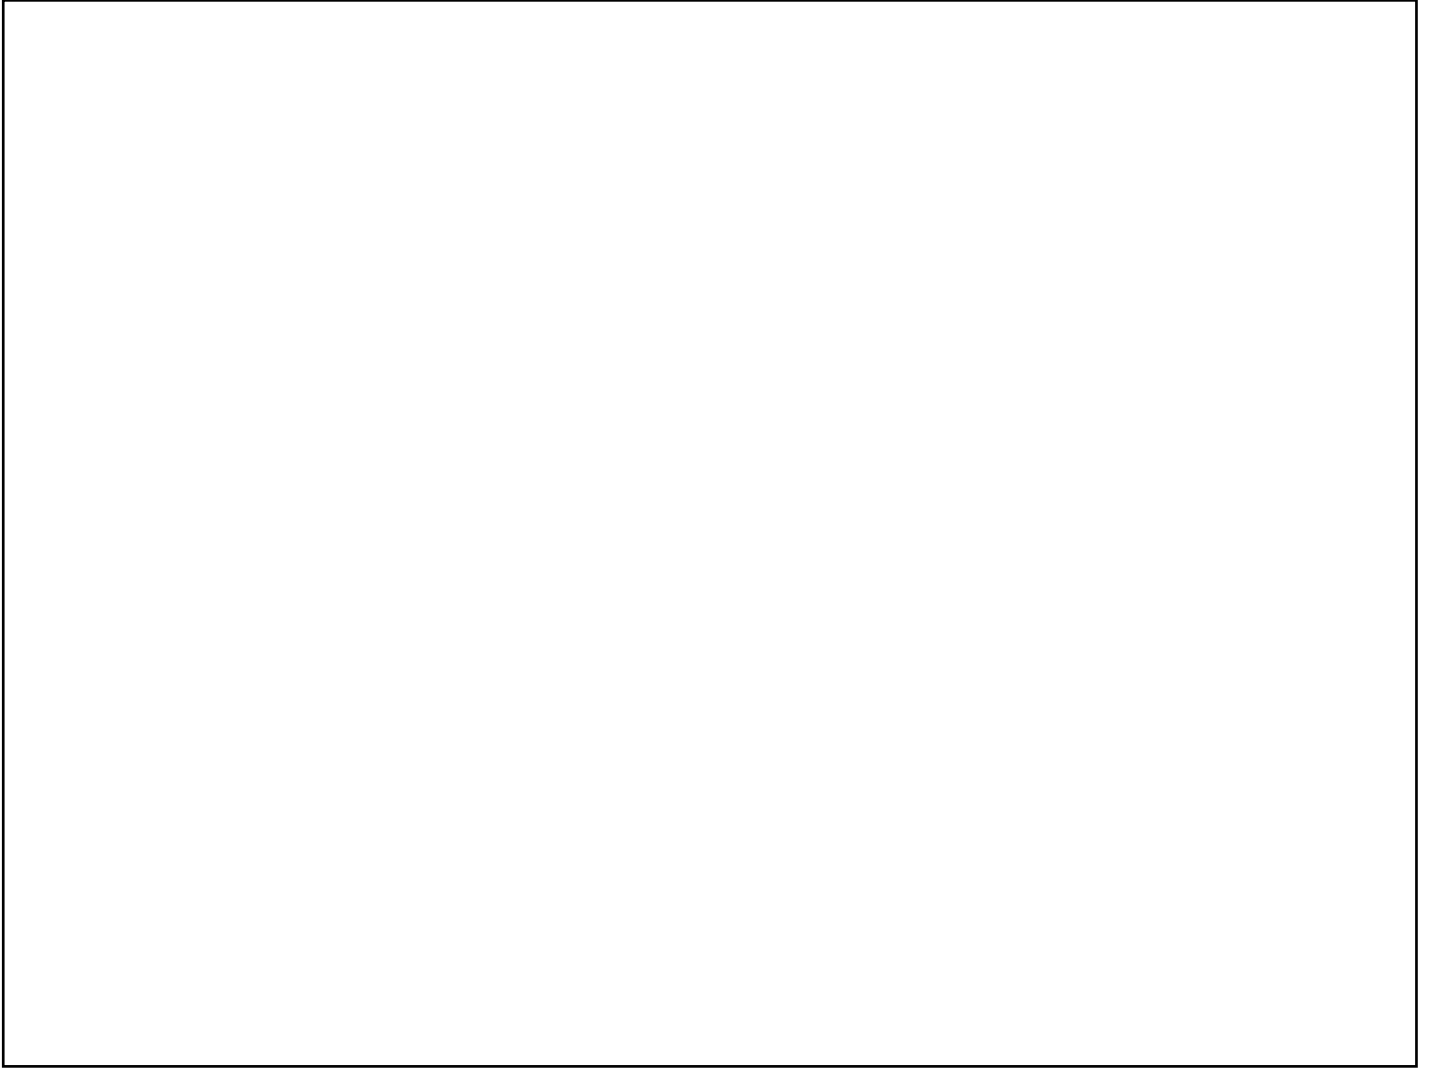

---

---

## My favourite vehicle!

Draw your favorite vehicle and write one sentence saying why that is! Make sure that you use your capital letters and full stops.

---

---

---

# Word bank

Use the word bank to help write your sentences.

I have written an example for you.

**I like aeroplanes because they are fast and can go far away.**

vehicle

aeroplane

bus

car

boat

train

bicycle

wheels

wings

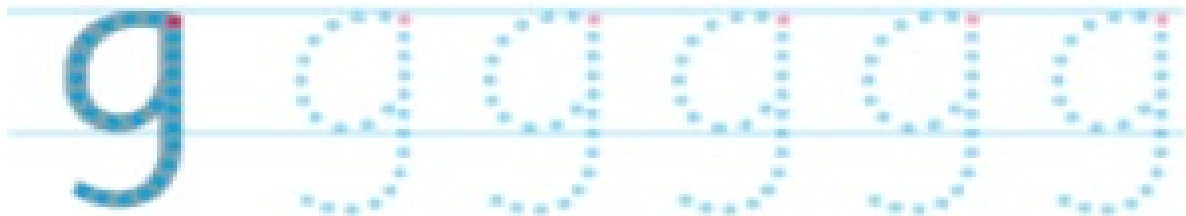

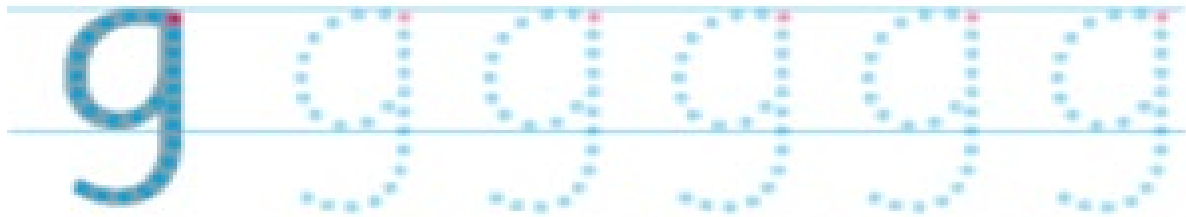

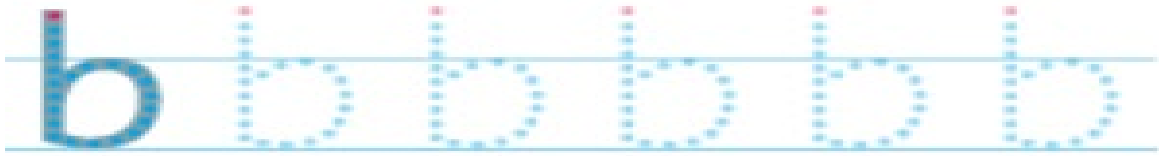

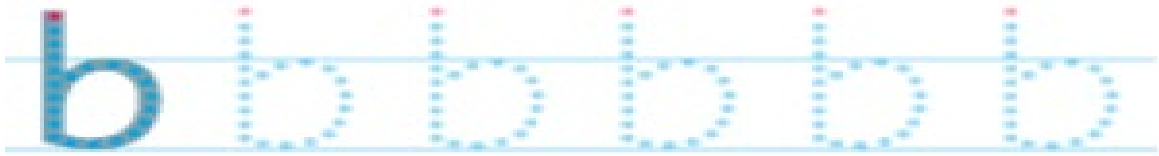

favourite

fast

because

## Handwriting

## Punctuation

**Read each sentence and edit the capital letters and full stops in each sentence.**

**Today is wednesday and it is cold.**

**i had a hot chocolate with my friend gemma**

**at four o'clock we will go to the playground  
with the bikes**
