

# Maths

## Near doubles strategy for addition and subtraction

### Task 1- Recap Doubles to 10

Sing along with your doubles rap and complete these double equations

	+		=	
	+		=	
	+		=	

	+		=	
	+		=	

### Task 2- Near doubles addition and subtraction

Watch the learning video online and use your knowledge of your doubles to help you solve these equations.

1)  $3 + 4 =$  \_\_\_\_\_

	+		=
---	---	---	---

2)  $5 + 6 =$  \_\_\_\_\_

	+		=
--	---	---	---

3)  $7 - 6 =$  \_\_\_\_\_

	-		=
---	---	---	---

4)  $9 - 8 =$  \_\_\_\_\_

	-		=
---	---	--	---

**⚠ Task 3- Read the maths story below with an adult and explain where I have made a mistake.**

**I have 7 apples. I buy two bags and one extra apple. Now I have 14 apples.**

## Writing

**Use the story mountain to plan your retelling of Mr Grumpy's Motor car. You can use pictures and words to help you to remember the key parts of the story.**

**Then**

---

---

---

---

---

---

---

**After that**

---

---

---

---

---

---

---

**First**

---

---

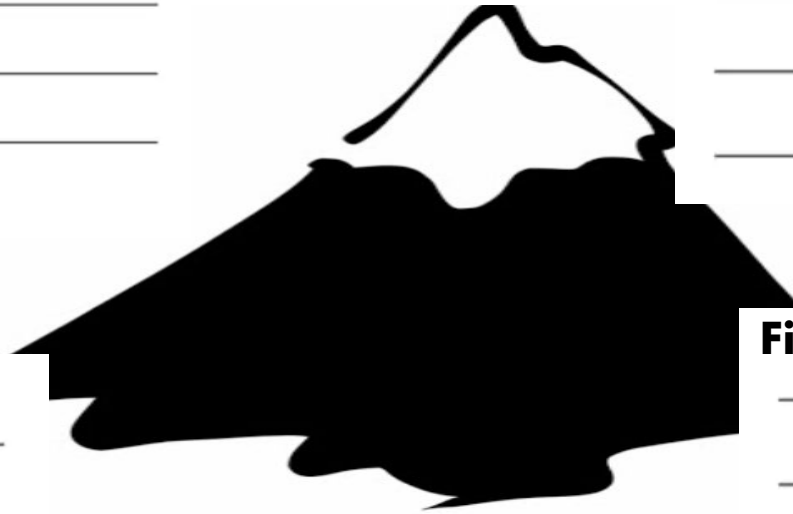

---

---

---

---

---

**Finally**

---

---

---

---

---

---

---

# Humanities

**This is our first lesson of our new topic 'Transport and Travel'. To begin with take a moment in the table below and think about what you do already know about transport and what would you like to know about transport and travel.**

Existing Knowledge

**What do I know about transport and travel?**

What do I know?	What would I like to know?

# How do we travel around today?

Key Knowledge	Key Words
<ul style="list-style-type: none"><li>• There are many different modes of transport that we use today.</li><li>• Transport means to move people or goods from one place to another.</li><li>• Different modes of transport can be found in the local area.</li><li>• Different modes of transport are suitable for different journeys.</li></ul>	<ul style="list-style-type: none"><li>• mode</li><li>• transport</li><li>• travel</li><li>• journey</li><li>• vehicle</li></ul>

**Which modes of transport would you expect to see in your local area?**

In my local area, I would expect to see:

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

## Transport bingo

**On the next page is a blank bingo sheet. In each box write one type of transport that you expect to see in White City.**

**The next time you go for a walk or look outside, tick the different types of transport you can spot in your local area.**

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

How many different modes of transport did you spot?

---

Which mode of transport was most common?

---

**Below I have listed some modes of transport. Discuss with someone at home:**

- Which of these you included in your transport bingo?
- Why some of these transports are not seen in your local area?
- Are these any transports in my list that you have never seen? Discuss why?

			
taxi	lorry	ship	hot air balloon
			
aeroplane	bicycle	car	helicopter
			
motorbike	bus	tube	train
