Design Your Puppet

Today you are going to design your puppet that you will be making next week.

You will use the materials in your pack.

Design brief:

You must design and make a puppet for a child ages 3 - 4

The puppet must be of an animal.

You must use at least a running stitch or an overstitch.

Questions to think about

What animal are you going to make?

You could use the internet to find some design ideas. Or look at pictures of your chosen animal for inspiration.

What features do you need to add?

Does your animal have pointed ears? A snout? Or eyes?

How will you make these features and attach them to your puppet?

What stitches you will use?

- Running stitch
- Overstitch

Where will you use each stitch?

Here is my example.

Task 1: Use the template in your pack to design your puppet.
