

Year 3 Home Learning

Dear Parents/Carers,

In order to support pupils during school closure, we have created a guide to Home Learning for parents and carers. Please find attached:

1. School contacts.
2. **Top Tips** on successful home learning.
3. A **Learning Log** explaining what your child needs to do in their tasks. This will be sent weekly with home learning packs.
4. A list of useful **websites and telephone numbers** that you can use to access help with your child's learning and their wellbeing.

School Contacts	
Ms Keeler <i>SENCO and Safeguarding support</i>	If you would like support to meet your child's wellbeing needs, or if your home circumstances change, e.g. you become eligible for free school meals, please email: b.wellbeing@arkbentworthprimary.org
Miss Felix and Miss Cox <i>Year 4 Home Learning support</i>	For questions about home learning activities and packs please contact your child's class teacher at: Y.3@arkbentworthprimary.org Please note: This inbox will be checked during the school hours of 9am-3:30pm.

Top Tips for Home Learning:

- Stick to a familiar routine as much as possible with your child, including regular bedtimes.
- Design your day in a way which suits your child/children best. Suggestions include:
 - Creating an informal timetable
 - Creating a 'to-do' list for the week, mixed with breaks and learning, including activities that your child enjoys.
 - A first, then board. e.g. First, complete your spelling on DB Primary, then you can do some drawing/making/colouring/playing or another activity of choice.
- Turn household tasks into a game e.g. can you match the stripy/spotty/blue socks.
- We will send out guidance in the next coming weeks for PE exercises that can be done at home without any equipment.
- Please remember - Short bursts of learning with breaks between is much better than a long, unproductive learning session.

Learning Log: Pack 1

The following is age-appropriate for your child. Children are expected to complete work during usual school hours. However, this can be split across the day. e.g. 30 mins of maths could be split into two 15 mins sessions with a break.

Further learning can be accessed through your child's account on the following:

DB Primary	https://arkbentworth-lbhf.secure-dbprimary.com/
Mathletics	https://www.mathletics.com/uk/
Accelerated Reader	https://ukhosted40.renlearn.co.uk/2142174/

However, we recommend that this is in addition to the times below. Please do not feel pressured to finish all the material in one week. However, we will continue to give out new packs each week to ensure full coverage of the curriculum.

Reading	Children should read for 30 minutes daily. Parents can also read books with children as part of this activity.
Writing	Write out the story using the story about mythological creatures. Choose if you want your creature to be a hero or a villain. Choose your setting and what obstacles they must overcome. Edit and proof read your story for spellings, punctuation and grammar.
Maths	Complete the maths problems about money and length. Complete the math problems about division using known facts. If I know that $2 \times 6 = 24$ then I know that $24 \div 2 = 6$. Complete the problems using the data provided. Complete the fraction problems and multiplication problems.
Spelling	Spelling will be uploaded weekly onto DB Primary.
The wider Curriculum	Spelling: Correct the spelling using a dictionary and write down the definition of each word. Look up the word with similar meaning given on the sheet and write what is the difference between the words. Finally label each word as an adjective, verb, adverb or noun. Grammar: Sheets included. Word families, prefixes, placing the apostrophes in the correct place and choosing the correct conjunction. Science: research facts about Thomas Edison. Make a poster about Thomas Edison. https://www.dkfindout.com/uk/science/famous-scientists/thomas-edison/ Complete the worksheets about light. Complete the information about Ancient Greece https://www.ducksters.com/history/ancient_greece.php https://www.historyforkids.net/ancient-greece.html Complete the Greek Gods quiz
Extra Activities	Reading: Read daily and quiz on accelerated reader within 3 days of finishing every book you read. Art: Create a front cover for your mythical story. Think about using shading and creating texture with lines to make your creature seem more lifelike. PE: Take some time to do some cosmic yoga with your family to keep your body moving and healthy https://www.youtube.com/user/CosmicKidsYoga
Websites	The following websites are offering a variety of resources free to parents: - www.twinkl.co.uk/offer (Code: UKTWINKLHELPS) - https://www.bbc.co.uk/teach/primary/zd7p47h - https://classroommagazines.scholastic.com/support/learnathome.html - https://www.gonoodle.com/

Many thanks for your continued support,

Miss Felix and Miss Cox
