

Dear Parents and carers,

There have been a swathe of excursions taking place for the children of Bentworth this week. Year 6 headed to kayaking and Go Ape whilst Year 5 undertook a trip the Urban Nature Project. Finally, as part of their history topic on Ancient Greece, Year 3 travelled to examine the artefacts in the British Museum. Thank you to all the teachers for organising these rich and exciting trips and well done to the children for showcasing the Bentworth values whilst out in the community.

Today we held a parent forum on e-safety. This looked at the steps we take to teach about being safe online at school; we also provided resources and websites to support you at home. Thank you to all of those parents who attended and a huge thanks to Ms Cox for sharing such valuable information.

In the key dates section (right) you can see a variety of upcoming dates for the summer term. Please make a note of these – it's going to be a busy few months and want to ensure children are in each day for these events.

Best wishes,

**David Williams**  
Head of School
