

## Message from the Interim Headteacher:

12th June 2015

Dear Parents & Carers

Another very busy week for the children and staff here at Ark Bentworth. We waved goodbye to some of the pupils from Years 5 & 6 who went on their annual school journey. How exciting for them to be able to travel to the Isle-of Wight. From the reports back from Miss Monte, Miss Thompson & Mr Nieto, the children have been really enjoying some of the following activities: Zorbing, Climbing, Archery, Quad Biking, and using the Zip Wires. We will be welcoming them back this evening – I know they will be very tired but also very excited about telling us all their news. We all look forward to reading their report in next week's newsletter.

I had the pleasure of attending the Year 5 & 6 BBQ and sleepover last night. Not only did the children enjoy the food, the games and the film; they were very excited about sleeping in the school building. I must admit sleeping in the school was a new experience for me! Many thanks to all of the staff for enabling this to happen.

Over this half of the Summer Term we will be taking part in many events organised by Ark. The children attended the Inter Academy Ark Sports Event at Linford Christie on Thursday. Well done to all the students for representing the Academy and doing so well in their events. We are very proud of you.

Please don't forget that the students and staff will going to KidZania on Monday over at Westfield.

Have a great weekend and see you all on Monday.

Moira Cruddas

## Important Message to parents

Due a technical glitch on our system last week, the behaviour data was recorded wrong on the Year 1, Year 4 and Year 6 parent reports.

We have given your child a revised copy of the report for your records.

We apologise for this error.

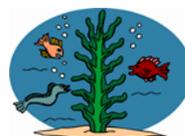

## Request to parents

It has been noticed that some children are riding their scooters and bikes onto the school premises. Please can you ask your child not to ride their bikes or scooters when they enter the school. Your help in this matter is much appreciated.

## Year 6 Trip

Year 6 are having a great time at the Kingwood centre. They have been Zorbing, rock climbing and paddling in the sea.

## Reception trip

On Wednesday the explorers in Reception took to London on our first exploration. They travelled far distances and searched high and low for new adventures. They used their own special handmade binoculars to see as far as they could. It was a busy day of exploring new parks, and finding their way out of a hedge maze, which gave them a great height to see what the land had in store for them. At the end of a long and tiring exploration, some explorers found great rest during their return back to school. Over all it was a wonderful expedition and fun was had by all. A special thank you to our parent helpers for their support on the expedition.
