

## Message from the Headteacher

28th March

Our children have worked hard together to achieve success this week. As a class and in groups they have listened to and followed each others instructions to create food from around the world—what a challenge! Edgehill Class congratulated each other during their sports graduation at the QPR Stadium. Cumbria and Roehampton enjoyed a visit to the Science Museum on Monday during which they engaged in science rich communication in pairs and groups. **Friendship** is about helping each other to grow - not just socially but academically as well.

## Ruck Sacks

We have noticed that many of our children are struggling to fit everything they need for school in their book bags.

To help our children remain organized we will be selling a school ruck sack complete with logo and water bottle holder.

The ruck sacks will be available after the holidays at a cost of only £10. If you would like to view or purchase one please enquire at our reception.
